The Concept Garden shown on the cover was opened at Hamilton Gardens in 2018 and has been inspired by two traditional whakataukii and an old land use map. Concept gardens aren't necessarily practical or natural but are usually based on a central idea or message. In this garden the nine square panels each represent one of the land uses on the legend in old school atlases. Pasture is represented by the grass, native bush by Muehlenbeckia astonii, urban areas by White Carpet roses, horticultural by citrus trees, tussock grassland by Carex buechananii, coniferous forest by Pinus mugo, scrubland by Leptospermum scoparium, wetland by Apodasmia and water bodies by the central pool.

Whakataukii are traditional Maaori proverbs which often function as reference points in speeches. These proverbs may also present historical events through a Maaori world view that communicates an underlying message or idea. The first whakataukii is: "He peke tangata, apa he peke titoki." "The human family lives on while the branch of the titoki falls and decays." The second whakataukii is: "Whatungarongaro te tangata toitu te whenua." "As man disappears from sight, the land remains." The message of this interpretation is that in the end, nature is going to win.

Dining Round the World... in Hamilton

Hamilton offers international dining from the great cuisines of the world. From London, to Vietnam, Mexico, China, and the Middle East, plus our local New Zealand dishes, all are available right here right now!!! Sophisticated dining and cafe culture are part of Hamilton's night life, and all are available in town. Three course a la carte dining, bar snacks and buffet, with the beverages of your choice, try the variety in Hamilton's restaurants and cafes!

Banh Mi Caphe

is run by Anh and her husband chef Pat Chai-montree. Family-style Vietnamese food is at the heart of the restaurant, which offers a mix of noodle dishes and salads plus classic Vietnamese street food. There is banh mi (filled baguette), banh xeo (savory pancake); goi cuon (summer rolls); goi (mint and cabbage salad); bun (noodle salad); pho (noodle soup), and more. There is a vegan menu as well, and a range of desserts.

Vietnam's French colonists also influenced local cuisine. Banh mi – the baguettes that this eatery is named for – a French standard filled with fresh Vietnamese ingredients.

Welcome to Sultan's Kitchen

Offering fine Moorish cuisine, and embracing the fashionably exotic flavours and heady aromas of Turkey, Morocco, Tunisia, Lebanon, Jordan and Spain. The best dishes from around the region have been chosen for the menu and are presented in an authentic manner, but with in a modern style. Enjoy mezze platters, succulent char-grilled shish kebabs as well as moussaka, falafel, beef iskender and tagine, or try Kiwi favourites like fish and chips, scotch fillet, open-fried mussels or calamari. Sultan's Kitchen is fully licensed for alcohol. All meat is halal.

Welcome to The Londoner

Arguably the best English Pub in the City, the Londoner is situated on Victoria St in one of Hamilton's magnificent historical buildings. Enjoy an English beer served by the pint or one of our craft beers brewed here in NZ and we also

stock an excellent range of premium and imported beers. We have great home cooked & fresh English food that you'll love, and an all day bar snack menu. The sports bar has a big screen, pub quizzes, and a pool table available for your entertainment. Be it sitting outside watching the world go by in the summer or tucked up and cozy by the fire in the winter the Londoner is the place to go.

Lazat is a traditional Malaysian restaurant right here in Hamilton. Come and experience the exotic flavours and taste the delicious dishes from Malaysia and treat yourself to a Malaysian meal at Hamilton's best Malaysian restaurant. Enjoy the full-flavored noodle and rice dishes, curries and soups that showcase Malaysian cuisine. Influenced by various cultures from all around the world, the menu is a symphony of flavors, making Malaysian cuisine highly exotic. Book a table with friends for a unique dining experience at the Lazat Restaurant and Bar.

Breakers

If life's a beach then welcome to your own private cove at Breakers Restaurant. Whether it's a romantic wine & steak night with your other half, seafood and cocktails with the colleagues, burgers and beers with the boys or a fun filled family dinner – we're the closest you'll get to the beach without board shorts and bikinis – so leave your worries at home or the office and surf on down to Breakers Restaurant to enjoy great food and a relaxed atmosphere. There are daily and weekly specials to keep the fun coming.

Iguana

Iguana was established in 1996 and is one of Hamilton's original Restaurants. Located in the heart of the entertainment mecca at the south end of Victoria St. Whether you wish to have an after work drink with friends or a full three course meal, Iguana is the place to go! Birthday parties, corporate functions or family gatherings, whatever the reason we've got you covered at Iguana. Select from our exciting menu selections, seafood, salads, grills, pizzas burgers and full three course dining, beers, wines and cocktails at our bar.

Valentines Buffet Restaurant

is NZ's premier destination for families and groups celebrating special events and occasions. Open 7 days and 365 days a year. Select from the Buffet menu for your choice of seafood, steaks, soups, salads, and a whole range of desserts! We cater for all your functions needs and requirements. Take away the extra cost of room hire, bar & service staff and most of all that HUGE headache of organizing food that will keep everybody happy!

Cook Street Social offers the full range of local boutique brewery Good George beer and ciders with delicious bar snacks, platters, pizzas, specials from the smokehouse, tacos, catering, entertainment and comedy evenings. Book your special occasion here in the historic Cook St building. The mission of Cook Social above all else is to bring beer and cider drinkers experiences worthy of their time and efforts, and having a bloody good time in the process.

Dumpling House

The Home of Divine Dumplings offers delicious Chinese food including savory pancakes, spicy wontons, burgers and pork buns, at the best value and were the first to introduce the Chinese burger to Hamilton. The bun is handmade and the filling is braised pork belly with spring onion and coriander. Very filling and delicious! The dumplings are made here in Hamilton, served with our home-made dipping sauces. Our noodle soup is a speciality, we make the best in town! A favorite dish is Chinese hotpot, a variety of meats and vegetables stewed in hot clay pots with fresh homemade stock.

Step into the home of **The Flying Burrito Brothers**, a blissful homage to the true Mexican dining experience. The Cantina ensembles cater to tastes of subtle, textured and hot, with locally sourced staple Mexican ingredients such as chillies, epazote, chocolate, tomatoes, cilantro, and avocados. If you've never experienced a 'flight' Tequila tasting session, then amigo, you must! Our Latin drinks completes a well stacked Tequileria with one of the largest nationwide collections. Sample our selection of South American, Spanish, and local wines. Those fruity, herbaceous crisp flavours pair well with our extroverted Mexican spices.

A truly Classic Museum, full of wonders...

At the Classics Museum in Railside Place Hamilton we have over 100 classic cars, but not just cars.. our collection encompasses a range of interests including an extensive collection of petrol memorabilia - enamel signs, pumps, tins and oil bottles. This stuff holds just as much history as the cars themselves! You can notice developments in design and materials through the years.

There's even a Big Tree garage complete with signs and tools. Big Tree was one of New Zealand's first petrol companies, bought out by Shell in the 1950s.

The BP sign hanging from the roof, pride of place in the centre of the museum was found in the canals of Amsterdam along with 10 others. They had been there for 25 years, you can even see the water stain line. This sign is 60 years old.

We cater for a wide range of interests with vintage toys, pedal cars and scenes from early New Zealand. We have restored a 1937 Bedford bus, once used to take local Hamilton children to school.

We have everything from vintage bicycles complete with wicker baskets, 1980s racing machines, to 40s cruisers - if two wheelers are your thing you won't be disappointed.

Come and check out our three Indian motorcycles ranging from 1929-41. Impeccable design and engineering these bikes really are works of art.

Our scooter collection features the Corgi which were designed to be dropped out of planes by army soldiers during World War II to support airborne troops.

Watch out for a tiny three wheeled car called the Messerschmitt, immediately identifiable by it's transparent bubble canopy and our prized possession the 1937 Bugatti - currently under restoration.

The Bugatti is one of only three of its kind ever manufactured. Follow the amazing Bugatti journey on our website... www.classicsmuseum.co.nz

Waikato Expressway Update

Three to go....

Longswamp: 5.9km SH1 widening
Between Te Kauwhata and Hampton
Downs interchanges. Completion 2019

Huntly: 15.2km between Ohinewai and
Ngaruawahia sections Completion early
2020

Hamilton: 22km between Ngaruawahia
and Cambridge. Completion 2020

New connection for Rototuna

Earthworks have started on the 1.9km-long
Resolution Drive extension from the Borman
Rd roundabout to the Resolution Inter-
change. When it opens in 2020, this link will
provide a convenient connection between
the expressway and the city's north-eastern
suburbs and the planned Rototuna Town
Centre – for motorists, walkers and cyclists.
Kay Rd has reopened and Horsham Downs
Rd will close to through traffic.
Residents of Rototuna and other northeast-
ern suburbs will now be able to travel north
and south on the expressway at the Resolu-
tion Interchange.
Resolution Drive is being extended to con-
nect with the new expressway. It will feature
a network of shared paths for walkers and
cyclists.

Huntly section

Pou will be located in three key areas along
the alignment. Storyboards will be installed
to tell the history of the area, and what the
pou represent. The Ralph Rd site is above
the expressway and has a carpark. Pou will
be constructed up at the Taupiri Summit
but will not be publicly accessible. The third
site is at Te Iringa Lagoon which will have a
carpark for the south-bound side of the ex-
pressway only. A walking path will access
the pou site and also to the listed historic
place of Rua's House, 1879, of which a
brick chimney and orchard remain.
Two other major cultural symbolism sites are
at Te Uapata, accessible from Orini Rd and
Otaahau Paa sites, off Gordonton Rd. They
will both have tuuwhatawhata (palisades)
and waharoa (gateways) reinstated.

Hamilton/ Cambridge section

In October/November 2018, SH1 traffic will
be diverted away from the current Tama-
here route to create room for expressway
construction.

Two new lanes will extend from the Airport
Rd Interchange, under the East West Link
Bridge, to reconnect with the existing high-

way near the 'Hamilton' billboard at the top
of the gully.

When traffic is switched onto these new
lanes, the old highway northwest of Cherry
Lane will be closed with a temporary ac-
cess for residents of Cherry Lane, Bollard Rd
and the section of Cambridge Rd in be-
tween.

Rangiriri Paa - North Waikato

North Waikato

This area was important historically during the Waikato Wars. Along the highway are historic sites for both sides, redoubts and Pa sites, the most famous is the newly established park of Rangiriri Paa, where the final stand of Maori and Pakeha soldiers took place. At Rangiriri the casualties of this engagement are buried in the cemetery. Many of the historical sites are signposted and can be accessed from the main highway.

The Hakarimata Scenic Reserve near Ngaruawahia is a great place to see kauri and to enjoy a walk or tramp through native bush. The reserve protects 1,850 hectares of native forest. The large kauri on the Kauri Loop Track is rare for this area. Climb to the summit of Hakarimata (374m) and enjoy good views for the

summit tower out towards the coast, across the Waikato Basin and down to Ruapehu.

The Te Araroa Walkway (the Long Pathway - part of a New Zealand long walkway). The Whangamarino Section can be accessed from Oram Road at Meremere, the northern end starts at Mercer and ends at Huntly.

Hauraki Rail Trail

Thames, Paeroa, Waihi, Miranda, Kaiaua, Te Aroha, Matamata

The Hauraki Rail Trail is an ideal weekend experience. It is one of the easiest cycle trails in the country, with the 160km track made up of 5 sections. This allows for a range of scenic day rides to comfortable 3 to 4 day tour rides. As a Grade One cycle trail, the Hauraki Rail Trail is suitable for all fitness levels and cycling skills. It can be accessed from Thames, Paeroa, Waihi, or Te Aroha. The trail shows some of the best scenery in New Zealand through areas rich in pioneering history. A major highlight includes riding through the scenic Karangahake Gorge, on the Waihi stretch. The Hauraki Rail Trail is shown as a dotted line on the map. From mid-2019 the Trail will be open from Kaiaua all the way through to Matamata in the South as new extensions are added.

Seabird Coast

Ngatea is the main service centre on the Hauraki Plains, located on SHW 2, and within an hours drive of Auckland. Miranda and Kaiaua are on the Pacific Coast Highway. Visit the internationally renowned Shorebird Centre, relax in the warm mineral pools at the Miranda Hot Springs, enjoy a day at the beach or check out the many tramping and biking tracks in the ARA Parks.

Te Aroha I-Site

Te Aroha is a town with many historic associations, and this shows in its charming architectural buildings. One of the highlights is the 29 acre landscaped Edwardian style Domain which houses the Te Aroha Mineral Spas - private, indoor hot tubs filled with naturally hot soda water and the world's only hot soda fountain - the Mokena Geyser. Wander through the historic Cadman House Museum - New Zealand's original sanatorium. The Domain is also home to the Te Aroha Leisure pools complex - public, outdoor, heated pools, including outdoor spa. Picnic in the Domain, and then proceed with one of the many bushwalks, including a track from the park up the mountain or some mountain biking. A 100-year-old track starting near the bottom of Mt Te Aroha leads to Tutumangao Waterfall. Follow the Heritage Trail of fine historic build-

ings and monuments dating back to the early 1880s. The Wairongomai Valley is a significant gold mining site in the Kaimai-Mamaku Forest Park. Gold was found in the Wairongomai Valley in 1881. The Piako County Tramway was built in 1882-83 and is New Zealand's oldest known railway with the original rail still in place. There are a number of historic areas to explore in the valley, such as Hardy's Hut, Fern Spur Incline and winding gear, the Bendigo Battery, the Low Level Drive, and the May Queen Incline and winding gear. The Wairongomai Valley lies at the end of Wairongomai Loop Road. The Valley is just four kilometres south of Te Aroha, near State Highway 26.

Paeroa

Historic Town Hauraki District

Paeroa is "World Famous in New Zealand" and overseas – for its Big Bottle. At 7 metres high, the Lemon and Paeroa Bottle is a permanent reminder of the therapeutic Paeroa Springs Water discovered before 1900, which, with the addition of lemon, became known as New Zealand's own soft drink.

Originally a thriving river port, the town was first laid out in the 1870s and the Historic Maritime Park and Museum houses artifacts from this era. Paeroa is also known for the many antique, second hand and retro shops where you can spend hours fossicking.

The site of the original gold rush in 1875, Karangahake and Mackaytown have returned to peaceful activities; fishing, gardens, cafes and a winery.

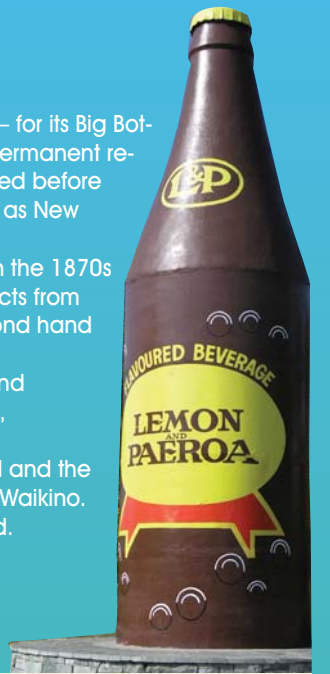

In Karangahake Gorge, walk the 1km long railway tunnel and the Windows Walk and follow the Ohinemuri River through to Waikino.

Good swimming and picnicking sites are easily accessed.

Walking tracks lead into the Kaimai-Mamaku and Coromandel Forest Parks.

WAIKATO RIVER TRAILS

With 100km of cycling and walking trails along the Mighty Waikato, the Waikato River Trails offers some of New Zealand's most stunning views and spectacular scenery. Walkers and cyclists can choose just one section of the trails or take more time to cover the entire distance, enjoying New Zealand native bush, grassed farmland, exotic forest, open reserves, wetlands, historic landmarks, interesting rock formations. The best time to ride the trail is in spring/summer (September to May). The Waikato has a fine temperate climate so all but the mid-winter months are ideal for riding. Karapiro (Arapuni) to Pokaiwhenua Bridge is an easy to intermediate track 11.5km long.

This is one of the easiest sections on this trail. It is Grade 2 with a few short Grade 3 hills. Park in Arapuni and ride up the trail to Little Waipa Reserve and back. The Huihuitaha Wetland, with boardwalk, is a highlight of this section. The Rhubarb Café in Arapuni is a very popular place to head for after the ride. Arapuni to Waipapa Dam, is an advanced section, 36km in length. This section includes some road riding from Jones Landing to the end of Wautu South Rd. Jim Barnett's Reserve is full of birdlife and there is a 1000-year-old totara that is worth a visit. The Mangarewa suspension bridge 42m above the stream is a thrill.

Tokoroa

Forestry Centre
South Waikato District

Otorohanga

Gateway to Waitomo Caves
Otorohanga District

Tokoroa is the hub of New Zealand's massive forestry, timber, pulp and paper industries. Located mid-way between Taupo and Hamilton on State Highway 1, Tokoroa is an ideal place to pause for an hour or two, or even better, for a day or two. The town takes its name after the Maori chief "Tokoroa", who was killed as he led his people gallantly against the British in the mid 1800s. Tokoroa is the gateway to many of the central North Island's tourist attractions. There is easy access to bush walks, scenic reserves, lakes and rivers, all steeped in Maori legend. Visit Pokaiwhenua, and Hatupatu rock, learn of the stories and legends of these sacred places. The well-stocked lakes and rivers offer excellent trout fishing, boating, water skiing, yachting or simply

enjoy a walk round Lake Moananui, by Matarawa Stream and the scenery from the lookout on Colson's Hill. There are many events in which South Waikato District Council has direct involvement including: the Honouring Volunteers Ceremony, Anzac Day Ceremonies, Artsfest, Balloons on Tour, Pole Art of the World Symposium, Putaruru Water Festival, Supercross, Tirau Footpath Art Gallery, Sunflower Festival, Scarecrow Festival, Arbor Day, Conservation Week events and others. South of Tokoroa, the Waikato River Trails extend to the Waipapa, Atiamuri and Whakamaru Dams featuring great scenery and easy riding.
