Welcome to Hamilton - Most Beautiful Large City in New Zealand

Hamilton has won the 'Most Beautiful City in New Zealand Award 2020' in the Keeping New Zealand Beautiful Awards. That's because of the abundant trees, parks, river and the care and grooming of public and private gardens. Hamilton City has been referred to as the 'Hub of the Waikato', the largest and most vibrant city in the region. The new expressway fast tracks links with Auckland, Tauranga and areas south and provides improved infrastructure and services.

Hamilton's population is expanding and this is making growth in the building industry, pushing out the city boundaries and stoking a thriving business community. Hamilton has many parks and recreation areas, with a world class stadium and cricket grounds, as well as a dynamic hospitality and dining culture. Hamilton has a beautifully landscaped environment with many trees and parks and the star of these is award winning world-class Hamilton Gardens on the banks of the Waikato River, which is visited by many international visitors as well as beloved by locals. Hamilton has many sports and entertainment venues, hosting major national and international events.

Megan of MS Therapies

is a massage therapist who works with both the John Barnes Approach to Myofascial Release and Pure Bio Energy Healing. We have a fascial system and an energy biofield, restrictions and imbalances in either can interfere with optimal function and the ability to feel the blessings and joy of our everyday lives.

For myself I have found both methods have contributed and continue to contribute to my health and wellbeing and increasingly research supports this.

The Cook is one of Hamilton's best known local identities, and offers a great range of tasty meals and snacks in a stylish setting that is just perfect to socialize in. Good George Beers and Cider on tap, plus locally roasted Weka Espresso, and a great range of low and no alcohol options. Great for functions, family friendly with an unrelenting focus on customer satisfaction, The Cook is a great local spot to catch up with friends, enjoy a locally made beer or cider, and have a nice homemade pizza. Quiz nights on Mondays, open for brunches from 8.00am in the weekends, plus live comedy shows monthly, there is a huge array of activities and happenings going on at The Cook. The Cook is in Hamilton's second oldest building, which is made of pit-sawn Kauri, and was built in 1874. It has a rich and fascinating history, and is definitely a strong component of Hamilton's future. The Cook - 7 Cook St Hamilton East. Built in 1874, est 2001.

Expressway Update

Southern Bypass Update

To advance other works along SH1, the temporary Bollard Road/SH1 intersection will be relocated 155m north of its current location. This will allow earthworks, service relocations and road construction to progress north from the Tamahere Interchange and past Bollard Road. The right turn to the city will be removed the right turn to SH1 will be removed, so all traffic turning onto SH1 will turn left. Those heading to the city will need to return via the Tamahere Interchange. Removing the right hand merge area will provide more space to relocate traffic lanes in the future. It will also make the intersection safer. The project has received several complaints this year from residents about near misses where right-turning drivers heading to the city have failed to give way to drivers turning right into Bollard Road.

At least one minor crash has occurred since June. Roadworks will continue through to May 2021.

Overview of the current construction programme:

- Expressway construction from the Tamahere Interchange to Bollard Road will begin in October 2020.
 - The current works on the old section of Cambridge Road north of Bollard Road (drainage, shared path construction and road reconstruction) will continue through to January 2021.
 - Installation of bridge anchors for the East-West Link Bridge has begun at the old Cherry Lane intersection.
- Once this is complete, the building of the raised roundabout and raising of the connecting roads will begin - from November 2020 through to early May 2021.

Cultural Icons

WHAKATAKI - giant hinaki and waka
Waikato Expressway - Raahui Pookeka (Huntly)

Te Kaahui Hakuturi

Te Iringa Lagoon

Whakataki - a stunning work featuring a giant hinaki (eel trap) strung between two maumahara (canoe cenotaphs). The waka and pou are very different from traditional designs, being pre-cast concrete with attached stainless steel panels.

All pou portray themes relevant to the naming of Raahui Pookeka (Huntly) and geographical landmarks on the northern side of the Taupiri Range such as Pukemore mountain and Lake Kimihia.

The hinaki theme is continued in the layout of the site forming a symbolic paa tuna (eel weir), showing how migrating eels were trapped.

Access from Ralph Road, Waikato Expressway - Huntly.

Drivers on the southbound motorway from Auckland will have noticed the stunning "Te Kaahui Hakuturi" - eight massive pou standing 20m above the ground, looking down on travellers at the summit of Taupiri Range. The pou acknowledge the path once travelled by the fabled Patupaiarehe and the creatures of the forest. The pou are carved from treated radiata pine and painted white with black detailing to acknowledge the spiritual connection that the Patupaiarehe have to the land. Each pou looks in a different direction across the landscape, guarding over all that drive through this whenua (land). This site was lowered by a 57m deep cutting and removal of 1.3 million cubic metres of earth.

Te Iringa Lagoon (Access south-bound only) Four waka-maumahara (canoe cenotaphs) are an impressive sight. The waka-maumahara acknowledge the four winds, which blow through the valley and are a reference to the oral histories of Te Iringa. The two mokomoko (lizards) are symbolic of the two brothers Tapau and Wharetipeti who held domain over this site. A walking track has been established, providing a link to the historic site of Rua's Hut - an early inhabitant of the area.

Ngaruawahia

Seat of the Maori King
Waikato District

An important cultural area, Ngaruawahia is the location of Turangawaewae Marae - official residence of the Maori King. The town is also the location for the annual Ngaruawahia Regatta - showcasing traditional Maori waka.

There is a pleasant river walk from the park at The Point where the Waikato and Waipa Rivers meet and continue north. The Te Awa Cycle Trail continues south towards Horotiu and along the Waikato River all the way to Hamilton.

Taupiri Mountain Bush Track
Travelling south on SH1, take the gravel track on the left at Taupiri, just before the highway turns right onto the Mangawaka Stream bridge.

Lake Hakanoa Walkway
3.6km is divided into 13 zones and contrasting gardens.

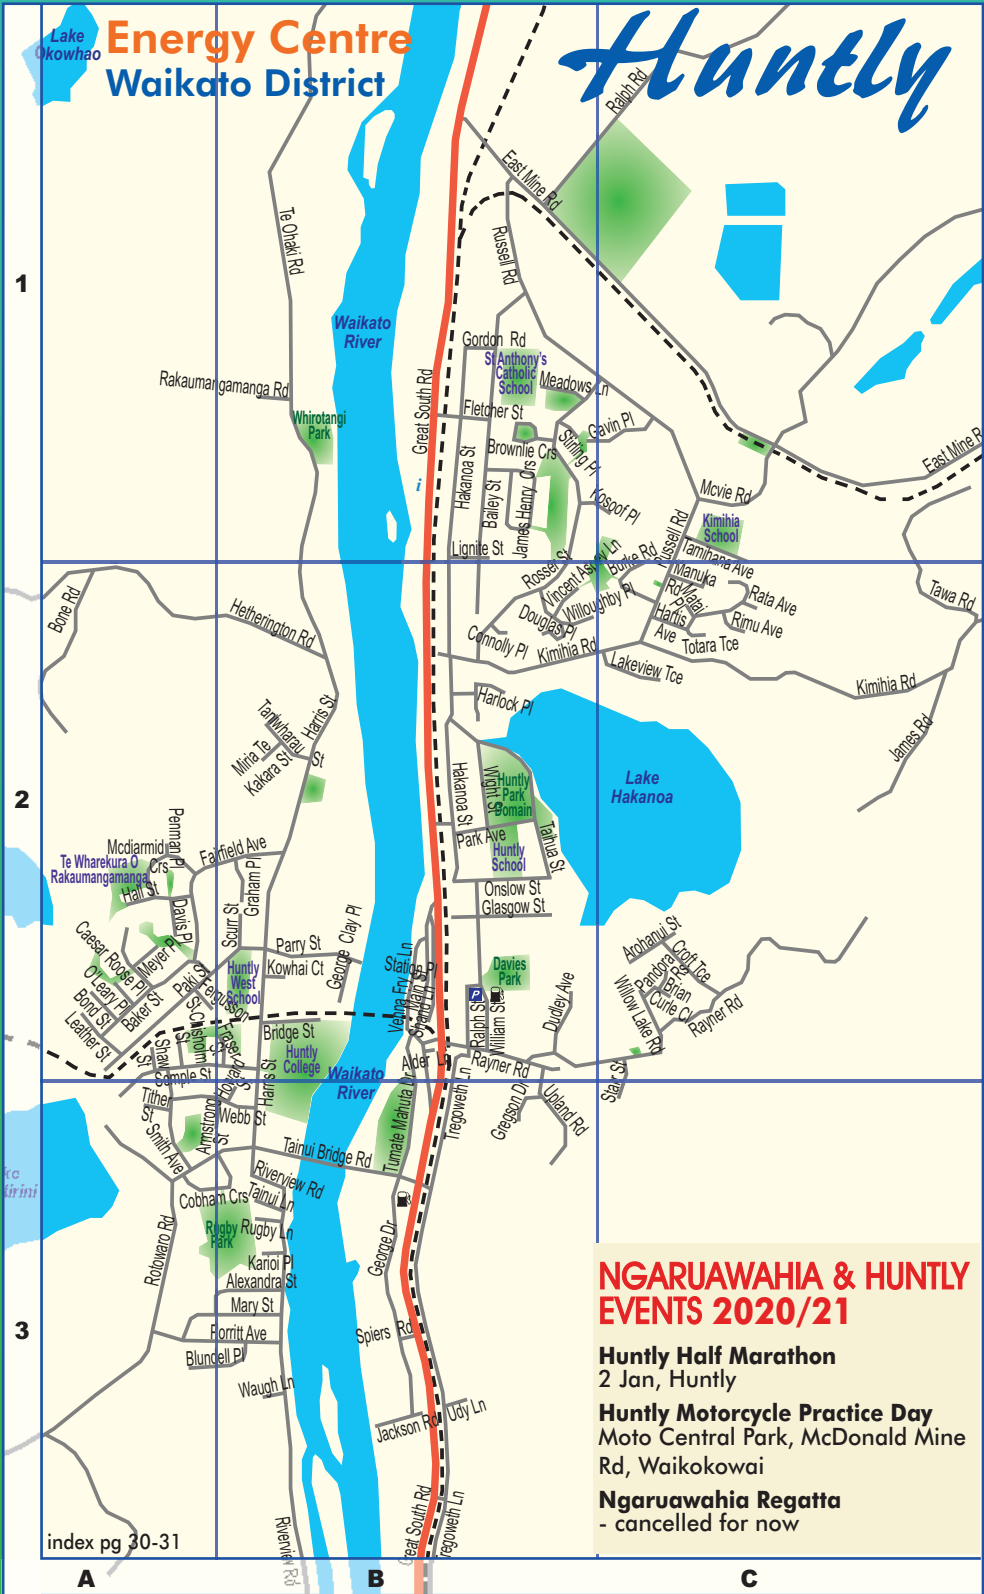

Lake Puketirini Park
a former open-cast mine is a pristine lake and park to the west of Tainui Bridge on Rotowaro Rd.
Hakarimata Walkway:
The Waterworks Track access is via Brownlee Rd on the west river side of Ngaruawahia.

The Hakarimata Rail Trail
follows an old railwayline used to transport coal.

Waikato Coalfields Museum
in the centre of Huntly town in the Civic Centre building - 148 Main St.

Hauraki Rail Trail

Thames, Paeroa, Waihi, Miranda, Kaiaua, Te Aroha, Matamata

The Hauraki Rail Trail is an ideal weekend experience. It is one of the easiest cycle trails in the country, with the 160km track made up of 5 sections. This allows for a range of scenic day rides to comfortable 3 to 4 day tour rides. As a Grade One cycle trail, the Hauraki Rail Trail is suitable for all fitness levels and cycling skills. It can be accessed from Thames, Paeroa, Waihi, or Te Aroha. The trail shows some of the best scenery in New Zealand through areas rich in pioneering history. A major highlight includes riding through the scenic Karangahake Gorge, on the Waihi stretch. The Hauraki Rail Trail is shown as a dotted line on the map. From mid-2019 the Trail will be open from Kaiaua all the way through to Matamata in the South as new extensions are added.

Seabird Coast

Ngatea is the main service centre on the Hauraki Plains, located on SHW 2, and an hour from Auckland.

Miranda and Kaiaua are on the Pacific Coast Highway. Visit the internationally renowned Shorebird Centre, relax in the warm mineral pools at the Miranda Hot Springs, enjoy a day at the beach or check out the many tramping and biking tracks in the ARA Parks.

Te Aroha i-Site

Te Aroha is a town with many historic associations, and this shows in its charming architectural buildings. One of the highlights is the 29 acre landscaped Edwardian style Domain which houses the Te Aroha Mineral Spas - private, indoor hot tubs filled with naturally hot soda water and the world's only hot soda fountain - the Mokena Geyser. Wander through the historic Cadman House Museum - New Zealand's original sanatorium. The Domain is also home to the Te Aroha Leisure pools complex - public, outdoor, heated pools, including outdoor spa. Picnic in the Domain, and then try one of the many bushwalks or some mountain biking. A 100-year-old track at the bottom of Mt Te Aroha leads to Tutumangao Waterfall.

Follow the Heritage Trail of fine historic buildings and monuments dating back to the early 1880s. The Waiorongomai Valley is a significant gold mining site in the Kaimai-Mamaku Forest Park. Gold was found in the Waiorongomai Valley in 1881. The Piako County Tramway was built in 1882-83 and is New Zealand's oldest known railway with the original rail still in place. There are a number of historic areas to explore in the valley, such as Hardy's Hut, Fern Spur Incline and winding gear, the Bendigo Battery, the Low Level Drive, and the May Queen Incline and winding gear. The Waiorongomai Valley lies at the end of Waiorongomai Loop Road. The Valley is just four kilometres south of Te Aroha, near SH 26.

Historic Town Hauraki District

Paeroa is "World Famous in New Zealand" and overseas – for its Big Bottle. At 7 metres high, the Lemon and Paeroa Bottle is a permanent reminder of the therapeutic Paeroa Springs Water discovered before 1900, which, with the addition of lemon, became known as New Zealand's own soft drink.

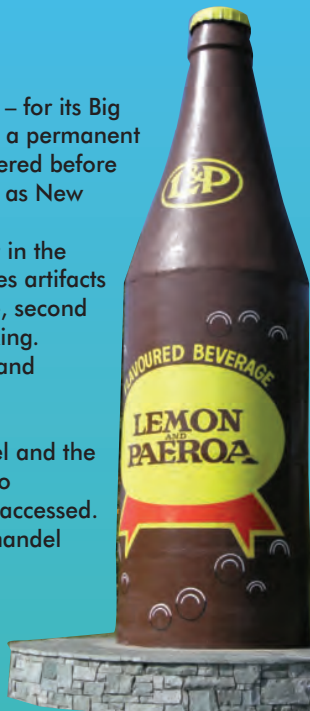

Originally a thriving river port, the town was first laid out in the 1870s and the Historic Maritime Park and Museum houses artifacts from this era. Paeroa is also known for the many antique, second hand and retro shops where you can spend hours fossicking. The site of the original gold rush in 1875, Karangahake and Mackaytown have returned to peaceful activities; fishing, gardens, cafes and a winery.

In Karangahake Gorge, walk the 1km long railway tunnel and the Windows Walk and follow the Ohinemuri River through to Waikino. Good swimming and picnicking sites are easily accessed. Walking tracks lead into the Kaimai-Mamaku and Coromandel Forest Parks.

WAIKATO RIVER TRAILS

With 100km of cycling and walking trails along the Mighty Waikato, the Waikato River Trails offers some of New Zealand's most stunning views and spectacular scenery. Walkers and cyclists can choose just one section of the trails or take more time to cover the entire distance, enjoying New Zealand native bush, grassed farmland, exotic forest, open reserves, wetlands, historic landmarks, and interesting rock formations. The best time to ride the trail is in spring/summer. Karapiro (Arapuni) to Pokaiwhenua Bridge is an easy to intermediate track 11.5km long. This is one of the easiest sections on this trail. It is Grade 2 with a few short Grade 3 hills.

Tokoroa

Forestry Centre South Waikato District

Tokoroa is the hub of New Zealand's massive forestry, timber, pulp and paper industries. Located mid-way between Taupo and Hamilton on State Highway 1, Tokoroa is an ideal place to pause for an hour or two, or even better, for a day or two. The town takes its name after the Maori chief "Tokoroa", who was killed as he led his people gallantly against the British in the mid 1800s. Tokoroa is the gateway to many of the central North Island's tourist attractions. There is easy access to bush walks, scenic reserves, lakes and rivers, all steeped in Maori legend. Visit Pokaiwhenua, and Hatupatu rock, learn of the stories and legends of these sacred places. The well-stocked lakes and rivers offer excellent trout fishing, boating, water skiing, yachting or simply enjoy a walk round Lake Moana-nui, by Matarawa Stream and the scenery from the lookout on Colson's Hill.

There are many events in which South Waikato District Council has direct involvement including: the Honouring Volunteers Ceremony, Anzac Day Ceremonies, Artsfest, Balloons on Tour, Pole Art of the World Symposium, Putaruru Water Festival, Supercross, Tirau Footpath Art Gallery, Sunflower Festival, Scarecrow Festival, Arbor Day, Conservation Week events and others. South of Tokoroa, the Waikato River Trails extend to the Waipapa, Atiamuri and Whakamaru Dams featuring great scenery and easy riding.
