Things to See and Do Around Hamilton

There is great shopping available in Hamilton with most shops open in the weekend and Hamilton is less than 2hrs from Auckland, Rotorua and Tauranga. Shopping in the city centre includes the Downtown Plaza, CentrePlace with the Sky City cinemas and in the North, Westfield Chartwell mall and the ever growing Base.

The city has an abundance of beautiful parks including the fabulous Hamilton Gardens, the Waikato River with annual Gallagher Boat Race, Hamilton Lake, the Hamilton Zoo and Te Rapa Racecourse. The scenic walkways along the river and around the lake are very attractive and well maintained.

Of interest is the Waikato Museum of Art & History on the banks of the river at the south end of Victoria Street. Hamilton is well provided with sports facilities including the Mystery Creek Events and Convention Centre which hosts the Motor Show, the Boat Show, the New Zealand Agricultural Fieldays; the fine golf

courses and of course, the magnificent Waikato Rugby Stadium which host the Waikato Chiefs and the new Claudelands Events Centre for shows and events.

Hamilton also hosts the fabulous ITM 400 V8 Supercar race. Visitors to Hamilton will find plenty of accommodation available. Hamilton International Airport has flights direct to the city. Hamilton has a variety of entertainments and venues providing a dazzling nightlife for all ages - restaurants, cafés, pubs and the Sky City Casino which is right in the heart of Hamilton City. Not to be missed for those visiting Hamilton.

Visitors at Christmas time can admire the spectacular Christmas light display at the Mormon Temple at Templeview.

Famous as a diverse agricultural centre, Hamilton is also close to outlying scenic attractions such as numerous bush areas with walking tracks, for example Maungatautari near Cambridge, Raglan with its beaches, Waingaro Hot Springs, Te Aroha and Matamata hot pools, bush walks, homestays and thoroughbred racing stables to visit.

The following classes have competitive fleets regularly sailing on the lake; Farr 3.7, Laser (standard, radial, and two 4.7's), Zephyr, Starling, P-class, Optimist. ITM400 HAMILTON V8 SUPERCARS 2011 EVENT INFORMATION

The fourth round of the New Zealand V8 Supercar championship is geared up for 2011. The ITM400 Hamilton is set for **15-17 April 2011**.

NZ's sole round of the ITM400 Hamilton V8 Supercar Championship and the biggest annual sporting event on the NZ calendar is lining up for 2011. Hamilton will once again come alive for one incredible rocket-fuelled weekend of entertainment. V8 Supercars is bringing its hugely successful 'race all day, rock all night' formula to Hamilton for the first time, delivering not only world-class motor

racing but a concert featuring international artists and a dedicated Family Zone with great entertainment for all ages. The support category classes are set to include the premier NZ V8 Sedans, Trans Tasman V8 Ute's, Historic Muscle Cars, Open Sedans/GT1 and for their debut at the circuit the spectacular and hugely popular New Zealand Drift Cars. All this plus the extreme driving of the V8 Supercars, as the drivers race for the fourth time on the Hamilton street circuit in the hope of winning the Mark Porter Trophy.

General public and online bookings are available from all Ticketek outlets, phone 0800 TICKETEK or visit www.ticketek.co.nz for more information.

Corporate Hospitality packages are now on sale for the 2011 ITM400 Hamilton. Packages sold out quickly in previous years so to avoid disappointment contact V8 Supercars on 09 360 0445 for details or click on Corporate Hospitality on the website to download package information.

THE WINNERS 2010

Team Vodafone and Jamie Wincup win again at the very popular ITM400 Hamilton 2010. Championship leader Jamie Whincup was close to the perfect day when he became the first man to win back to back at the ITM 400 Hamilton, increasing his margin with the victory over Garth Tander and Michael Caruso.

The Team Vodafone ace was at his best yet again to break the domination of Toll Holden Racing Team's Tander while Fujitsu Racing's Caruso was third in a great show from the side with his team-mate Lee Holdsworth in fourth.

Historic Spa Town

Under the Mountain

1 One of Te Aroha's highlights is the charming 29 acre landscaped Edwardian style Domain which houses the Te Aroha Mineral Spas - private, indoor hot tubs filled with naturally hot soda water and the world's only hot soda fountain - the Mokena Geyser. The Domain is also home to the Te Aroha Leisure pools complex - public, outdoor, heated pools, including outdoor spa, designed for a diverse range of visitors. Spend the day doing one of the many leisurely bushwalks or some mountain biking and a picnic in the Domain - there is a huge network of walking and mountain bike tracks in the Kaimai-Mamaku Forest Park.

Follow the Heritage Trail of fine historic buildings and monuments dating back to the early 1880s. Wander through the historic Cadman House Museum - New Zealand's original sanatorium and view the Queen Ann Pipe Organ built in 1712 (group performances are available) - the oldest pipe organ in the Southern Hemisphere.

Originally a thriving port, the town was first laid out in the 1870's. Paeroa is "World Famous in New Zealand" and overseas – for its Big Bottle. At 7 metres high, the Lemon and Paeroa Bottle is a permanent reminder of the therapeutic Paeroa Springs Water discovered before 1900, which, with the addition of lemon, became known as New Zealand's own soft drink. Originally a thriving river port, the town was first laid out in the 1870s and the Historic Maritime Park and Museum houses artifacts from this era. Paeroa is also known for the many antique, second hand and retro shops where you can spend hours fossicking for that something special.

The site of the original gold rush in 1875, Karangahake and its “residential suburb” of Mackaytown, have returned to peaceful activities; fishing, outdoor pursuits, gardens,

cafes and a winery tempt the visitor. In Karangahake, one can access the 1km long railway tunnel and the Windows Walk and follow the Ohinemuri River through to Waikino. Good swimming and picnicking sites are easily accessed. Walking tracks lead into the Kaimai-Mamaku and Coromandel Forest Parks.

Waihi

Historic Gold Town

Hauraki District

Waihi's story is a rich tapestry woven through with golden tread. It was the lure of gold that brought people to Waihi in numbers in the early 1900s. Today, you can walk right to the edge of Waihi's huge open pit gold mine. Newmont, the current mining company, conducts daily tours of the site, though bookings are essential. The Martha Mine has a history which spans three centuries, from 1878 to the present. Wandering down Seddon St, you will find bronze statues, restored historic buildings and interesting displays depicting Waihi's heritage. Local shops combine old style service with an

eclectic range of goods and the wide selection of cafes and restaurants cater for all tastes. Local walkways include the Pit Rim Walkway, another to the top of Black Hill and from Gilmour Lake a track follows Mill Stream around the base of Union Hill, another historic mining area. Visit the website www.waihi.org.nz for further details.

Karangahake Gorge is another historic gold mining area with spectacular, pristine scenery, swing bridges across the Ohinemuri and Waitawheta Rivers, old mining tunnels (bring a torch and sturdy footwear), bush walks, and if it is summer bring a picnic and your togs as there are numerous swimmingholes. There are short and long walks, all well sign posted with degree of difficulty and length of time.

Putaruru has a great variety of walks - long or short - and they all feature the particular beauty of the region. Visitors to Putaruru are invited to wander **Te Waihou Walkway** to view the Blue Springs. The crystal clear spring water is bottled in town, and sold commercially, nationally and beyond, as "Pump" water. In fact, it is this small town that is the source of 60% of New Zealand's bottled water!

Putaruru is based on a history of farming and timber. It is now the commercial centre for some of the most productive dairy farmland in the country and the town's economy is based on this heritage. The Lichfield Dairy Factory - which is one of the newest and largest cheese factories in the world - is only 6km from the town centre.

Putaruru is also host to a national woodturning exhibition - known appropriately as TurNZ - at which some of the most beautiful work in woodturning anywhere in the world can be seen.

Each October and November, in even years, the District holds its Spring Into Summer Festival which combines a wide range of community activities with sporting and cultural events for the three-week festival.

Putaruru Waterpark

The blue colours of the Putaruru Waterpark mimic the colours of Te Waihou spring. Around 5000 plants - all natives - are planted on site. The shape of the feature is similar to the curve of a ponga fern shoot. The Waterpark features two large mosaics. These pieces are extraordinary - both in design and colour and the paving surrounding the WaterPark was contributed by the people of Putaruru.

Tokoroa

Forestry Centre

South Waikato

Tokoroa is the hub of New Zealand's massive forestry, timber and pulp and paper industries. Located mid-way between Taupo and Hamilton on State Highway 1, Tokoroa is an ideal place to pause for an hour or two or, even better, for a day or two. The town takes its name after the Maori chief, "Tokoroa" who was killed as he led his people gallantly against the British in the mid 1800s. Tokoroa is the gateway to many of the central North Island's tourist attractions. There is easy access to bush walks, scenic reserves, lakes and rivers, which are all steeped in Maori legend. Visit Pokaiwhenua, and Hatupatu rock, learn of the stories and legends which make these places sacred.

The well-stocked lakes and rivers offer excellent trout fishing, boating, water skiing and yachting. Or simply enjoy a walk round Lake

Moana-nui, by Matarawa Stream and the scenery from the lookout on Colson's Hill. All year round, visitors to Tokoroa can enjoy easy access to their favourite pastimes and enjoy the special hospitality that makes Tokoroa unique.

There are many events in which South Waikato District Council has a direct involvement including the Honouring Volunteers Ceremony, Anzac Day Ceremonies, Artsfest, Balloons on Tour and the Pole Art of the World Symposium, the Putaruru Water Festival, Supercross, Tirau Footpath Art Gallery, Sunflower Festival, Scarecrow Festival, Arbor Day and Conservation Week events and others

Te Kuiti township is the main service centre of the Waitomo District. As there are a large number of farms in the district, businesses range from rural supplies and construction specialists to cafes and accommodation providers. Local industry includes everything from meat processing, timber mills and lime processing to rural support services. Te Kuiti has long been recognised as New Zealand's sheep shearing capital and celebrates its rich agri-cultural heritage in style with the annual NZ Shearing Championships together with the increasingly popular festival known as the "Great NZ Muster".
