Things To See & Do Around Hamilton

The new Claudelands Events Centre

Hamilton has a great new events venue, Claudelands, right in the centre city, already booked for shows including the Armageddon and the International Tattoo & Art Expo in 2012.

There is great shopping available in Hamilton with most shops open in the weekend and Hamilton is less than 2hrs from Auckland, Rotorua and Tauranga. Shopping in the city centre includes the Downtown Plaza, CentrePlace with the Sky City cinemas, Westfield Chartwell mall and the popular ever expanding Te Awa at the Base at the north end of town.

The city has an abundance of beautiful parks including the fabulous Hamilton

Gardens, with new garden features opening all the time, the Waikato River with annual Gallagher Boat Race, Hamilton Lake, the Hamilton Zoo and Te Rapa Racecourse. The scenic walkways along the river and around the lake are very attractive and well maintained.

Of interest is the Waikato Museum of Art & History on the banks of the river at the south end of Victoria Street. Hamilton is well provided with sports facilities including the Mystery Creek Events and Convention Centre which hosts the Motor Show, the Boat Show, the New Zealand Agricultural Fieldays; the fine golf courses and of course, the magnificent Waikato Rugby Stadium which host the Waikato Chiefs

and held some of the Rugby World Cup Events in 2011.

Hamilton will host the final ITM 400 V8 Supercar race, information about which features in this edition of the Waikato Town and Around.

Hamilton International Airport has flights direct to the city, with plenty of accommodation available for visitors.

Hamilton has a variety of entertainments and venues providing a dazzling nightlife for all ages - restaurants, cafés, pubs and the Sky City Casino which is right in the heart of the city and not to be missed for those visiting Hamilton.

Visitors at Christmas time can admire the spectacular Christmas light display at the Mormon Temple at Templeview and view the giant Christmas Tree in Garden Place. Famous as a diverse agricultural centre, Hamilton is also close to outlying scenic attractions such as numerous bush areas with walking tracks, for example Maungatautari near Cambridge, Raglan with its beaches, Waingaro Hot Springs, Te Aroha and Matamata hot pools, bush walks, homestays and thoroughbred racing stables to visit.

The ITM400 - Hamilton V8s 2012

ITM400 HAMILTON V8 SUPERCARS 2012 EVENT INFORMATION

The V8 Supercars will hit the streets of Hamilton for the last time in 2012.

**The ITM400 Hamilton is set for
20-22 April 2012**

NZ's only round of the ITM400 Hamilton V8 Supercars Championship and the biggest annual sporting event on the NZ calendar is lining up for the final farewell to Hamilton in 2012. Hamilton will once again come alive for one incredible rocket-fuelled weekend of entertainment.

V8 Supercars is returning with its hugely successful "Race all day, Rock all night" formula to Hamilton again, delivering not only world-class motor racing but a concert featuring an International Act and a dedicated Family

Zone with great entertainment for all ages. Be there to watch all the action unfold on track as the V8 Supercar Championship drivers battle through 400kms of unforgiving street racing to claim New Zealand victory. Off-track entertainment will be bigger and better than ever with a massive music act to be announced, dedicated Family Zone, NZ V8 Sedans, NZ V8 Utes, Muscle Cars, GT1/GT2 classes, NZ's Top Drift Car Championships and more. General public and online bookings are available from all Ticketek outlets, phone 0800 TICKETEK or visit www.ticketek.co.nz for more information.

Farewell Hamilton in style from a corporate lounge with exceptional views – corporate packages are now on sale for 2012. For details contact V8 Supercars on 09 360 0445.

The ITM400 - Hamilton V8s 2011 Winners

New Zealand's own Shane van Gisbergen capped off one of the most exhilarating weekends of full-on entertainment to be held in New Zealand, winning Race 6 of the 2011 ITM400 Hamilton V8 Supercar event.

THE WINNERS 2011

First - Shane Van Gisbergen with the Mark Porter Memorial Trophy.
Second was Lee Holdsworth and third was Garth Tander.

Tranz Scenic's Overlander Train

<http://www.tranzscenic.co.nz/services/overlander.aspx>

The Overlander is running 7 days a week from 2 September 2011. The Overlander service connects Auckland and Wellington with trains departing from each city. They journey through the heart of the North Island and arrive early evening - See it all in one day.

The Overlander is a journey through the heart of the North Island, travelling between Auckland - New Zealand's largest city and home of the Sky Tower, to Wellington - New Zealand's arts and culture capital.

Along the way you pass the Central North Island ski towns of National Park and Ohakune, popular with young and old alike. You also see fantastic views of New Zealand farmland, the volcanic plateau, Mount Ruapehu, the world famous Raurimu Spiral, and stunning river gorges - all from our panoramic windows or open air viewing decks allowing you the best possible views.

All carriages feature large panoramic windows giving sweeping views of the magnificent North Island. The Observation carriage includes a mix of seating including lounge style seating. The lounge style seating is arranged at the very rear of this glass backed carriage enabling you to enjoy a totally unique Overlander experience. This service also includes a fully licensed café car and professional Train Managers who provide informative commentary to ensure a totally unique experience.

Te Aroha is a town with many historic associations, and this shows in its charming architectural buildings. One of the highlights is the 29 acre landscaped Edwardian style Domain which houses the Te Aroha Mineral Spas - private, indoor hot tubs filled with naturally hot soda water and the world's only hot soda fountain - the Mokena Geyser. The Domain is also home to the Te Aroha Leisure pools

complex - public, outdoor, heated pools, including outdoor spa, designed for a diverse range of visitors. Start the day with a picnic in the Domain, and then proceed with one of the many bushwalks, including a track from the park up the mountain or some mountain biking - there is a huge network of walking and mountain bike tracks in the Kaimai-Mamaku Forest Park.

Follow the Heritage Trail of fine historic buildings and monuments dating back to the early 1880s. Wander through the historic Cadman House Museum - New Zealand's original sanatorium and view the Queen Ann Pipe Organ built in 1712 (group performances are available) - the oldest pipe organ in the Southern Hemisphere.

This was fitted in the Hugh Hayward Domain, Ngatea, in 2010 to celebrate 100 years of settlement on the Hauraki Plains. It depicts a worker digging one of the many canals in the region used to drain the swampland to create the productive farming land of the Hauraki Plains.

Originally a thriving port, the town was first laid out in the 1870's. Paeroa is "World Famous in New Zealand" and overseas – for its Big Bottle. At 7 metres high, the Lemon and Paeroa Bottle is a permanent reminder of the therapeutic Paeroa Springs Water discovered before 1900, which, with the addition of lemon, became known as New Zealand's own soft drink. Originally a thriving river port, the town was first laid out in the 1870s and the Historic Maritime Park and Museum houses artifacts from this era. Paeroa is also known for the many antique, second hand and retro shops where you can spend hours fossicking for that something special. The site of the original gold rush in 1875, Karangahake and its "residential suburb" of Mackaytown, have returned to peaceful activities; fishing, gardens, cafes and a winery.

In Karangahake, one can access the 1km long railway tunnel and the Windows Walk and follow the Ohinemuri River through to Waikino. Good swimming and picnicking sites are easily accessed. Walking tracks lead into the Kaimai-Mamaku and Coromandel Forest Parks. Information from www.paeroa.org.nz

Waihi & Waikino

Waihi's story is a rich tapestry woven through with golden thread. It was the lure of gold that brought people to Waihi in numbers in the early 1900s. Today, you can walk right to the edge of Waihi's huge open pit gold mine. Waihi Goldmine Tours conducts daily tours of the site, though bookings are essential. The Martha Mine has a history which spans three centuries, from 1878 to the present. Wandering down Seddon St, you will find bronze statues, restored historic buildings and interesting displays depicting Waihi's heritage.

Local shops combine old style service with an eclectic range of goods and the wide selection of cafes and restaurants cater for all tastes. Local walkways include the Pit Rim Walkway, another to the top of Black Hill and from Gilmour Lake a track follows Mill Stream around the base of Union Hill, another historic mining area.

Karangahake Gorge is another historic gold mining area with spectacular, pristine scenery, swing bridges across the Ohinemuri and Waitawheta Rivers, old mining tunnels

(bring a torch and sturdy footwear), bush walks, and if it is summer bring a picnic and your togs as there are numerous swimmingholes. Take a scenic train trip with Goldfields Railway to Waikino to view old mining remains. There are short and long walks, all well sign posted with degree of difficulty and length of time.

Historic Gold and Fishing Town

Thames/Coromandel District

Thames

Thames is a historical New Zealand town situated between the Firth of Thames and ranges of the Coromandel Peninsula. Thames is a great place to base yourself when visiting the Coromandel Peninsula. Most places on the Coromandel are within 1 to 1.5 hours drive from Thames township and of course there are numer-

ous and varied speciality shops, with a large supermarket and air-conditioned shopping mall. Thames' goldmining history is interesting with the Thames Gold Mine and Stamper Battery at the Thames school of Mines museum. The Thames Coast, a beautiful stretch of scenic coastline just north of Thames, also

offers activities, swimming, picnicking, accommodation and is a great place to do a spot of fishing off the rocks.

Tirau

Antiques and Crafts Centre Gateway to South Waikato District

Tirau has the "Big Dog Information Centre", next to the corrugated "Big Sheep Wool Gallery". Tirau has many specialty shops, including antiques, art, furniture, crafts, clocks, teddybears, cafés, restaurants, wines, jewellery, saddlery, honey, ice-creams, gifts and collectables and a toy museum at Castle Pamela.

Putaruru has a variety of walks - long or short. Visitors to Putaruru are invited to wander **Te Waihou Walkway** to view the **Blue Springs**. The crystal clear spring water is bottled in town, and sold commercially, nationally and beyond, as "Pump" water.

Putaruru is based on a history of farming and timber and has the Lichfield Dairy Factory - is one of the newest and largest cheese factories in the world.

Putaruru also hosts a national woodturning exhibition, known appropriately as TurNZ - at which some beautiful work in woodturning can be seen. Visit the Putaruru Timber Museum to learn about the history of timber milling.

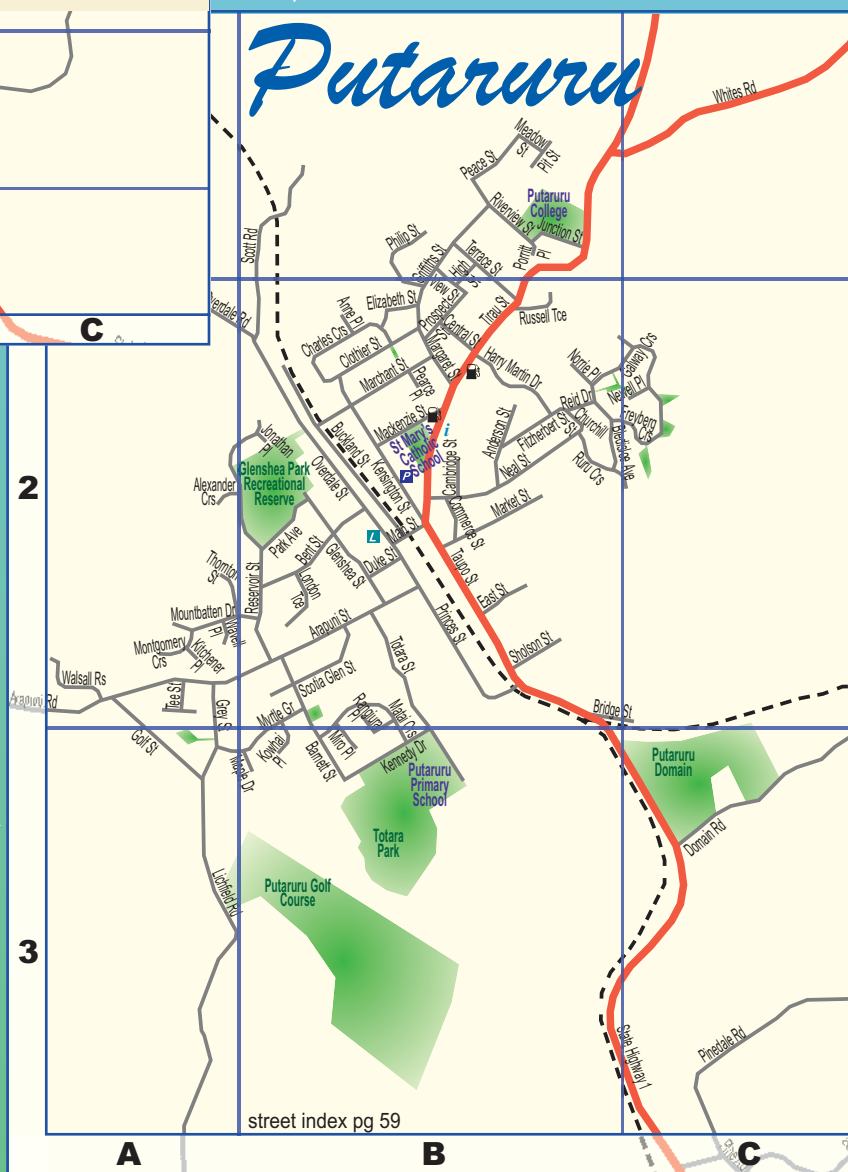

In even years, the District holds its Spring Into Summer Festival with a wide range of community activities, sporting and cultural events for the three-week festival.

The blue colours of the **Putaruru Waterpark** mimic the colours of Te Waihou spring. Around 5000 plants - all natives - are planted on site. The shape of the feature is similar to the curve of a ponga fern shoot. The Waterpark also features two large mosaics.

Te Waotu-Arapuni Heritage Trail links the unique heritage resources of two areas of the South Waikato District. This trail is comprised of six sites - **Stone House**, **Te Waotu School**, **Jim Barnett Reserve**, **Jones Landing**, **Arapuni Hydro Station** and **Duxfield Reserve**.

The **Arapuni Dam and Swing Bridge** are well worth the 15 minute drive... walk across the swing bridge and look down on the awesome native foliage below and swirling waters emitting from the power station.

Tokoroa

Tokoroa is the hub of New Zealand's massive forestry, timber and pulp and paper industries. Located mid-way between Taupo and Hamilton on State Highway 1, Tokoroa is an ideal place to pause for an hour or two or, even better, for a day or two. The

town takes its name after the Maori chief, "Tokoroa" who was killed as he led his people gallantly against the British in the mid 1800s. Tokoroa is the gateway to many of the central North Island's tourist attractions. There is easy access to bush walks, scenic reserves, lakes and rivers,

which are all steeped in Maori legend. Visit Pokaiwhenua, and Hatupatu rock, learn of the stories and legends which make these places sacred. The well-stocked lakes and rivers offer excellent trout fishing, boating, water skiing and yachting. Or simply enjoy a

walk round Lake Moana-nui, by Matarawa Stream and the scenery from the lookout on Colson's Hill. All year round, visitors to Tokoroa can enjoy easy access to their favourite pastimes and enjoy the special hospitality that makes Tokoroa unique. There are many events in which South Waikato District Council has a direct involvement including the Honouring Volunteers Ceremony, Anzac Day Ceremonies, Artsfest, Balloons on Tour and the Pole Art of the World Symposium, the Putaruru Water Festival, Supercross, Tirau Footpath Art Gallery, Sunflower Festival, Scarecrow Festival, Arbor Day and Conservation Week events and others

Te Kuiti

Shearing Capital of the World

Waitomo District

Te Kuiti township is the main service centre of the Waitomo District. As there are a large number of farms in the district, businesses range from rural supplies and construction specialists to cafes and accommodation providers.

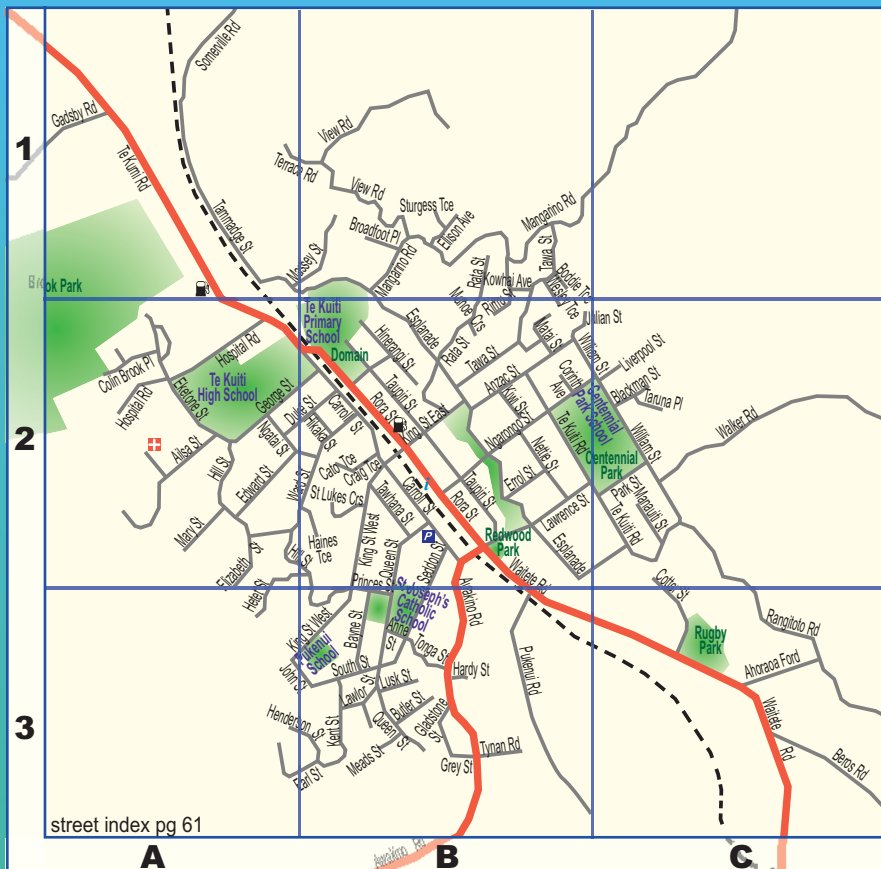

Local industry includes everything from meat processing, timber mills and lime processing to rural support services.

Te Kuiti has long been recognised as New Zealand's sheep shearing capital and celebrates its rich agricultural heritage in style with the annual NZ Shearing Championships in March, together with the increasingly popular festival known as the "Great NZ Muster".

Check out the new Pa Harakeke Eco Cultural Centre at 138 Maraeroa Rd, for a unique look into Maori traditions and culture.

There is an 18-hole golf course in Piopio, where sheep maintain the fairways!

To the south-west is the historical and picturesque Mokau surf beach.
