Kiwi Regional Airlines

Kiwi Regional Airlines has taken flight giving New Zealanders in the Waikato, Nelson/Tasman and Southland choice with direct flights between regional centres. On the 27th of October this year, Kiwi's will be able to fly direct with one-way fares starting from \$79*.

Dunedin-Queenstown, Queenstown-Dunedin, Dunedin-Nelson, Nelson-Dunedin, Hamilton-Nelson and Nelson-Hamilton are the new routes Kiwi will be flying also allowing for two sector flights connecting through Dunedin or Nelson: Queenstown-Nelson, Nelson-Queenstown, Hamilton-Dunedin or Dunedin-Hamilton with guests of the airline seeing low one-way two sector fares from \$149.

Kiwi Chief Executive Ewan Wilson said "This is not about competing with Air New Zealand or Jetstar, who don't fly direct services between the centres we service, it is about bringing New Zealanders together, offering more choice and opening up new options for commerce and connecting cities together that had previously seen little two-way contact."

"We're pleased to be here and look forward to growing, to be able to service as many region to region flights as possible. We thank you for your support and look forward to having you aboard."

Many Vehicles are Unsafe!

Many New Zealanders are now driving unsafe vehicles. Since the 2014 Law change regarding Warrant of Fitness Compliance, vehicles registered after 1 January 2000 only require a WOF inspection every 12 months. New vehicles only require a WOF inspection on the third anniversary of the first inspection. **THIS LAW CHANGE IS NOT WORKING!** Motorists are not keeping their vehicles up to compliance standard and are finding they are up for over \$2000 worth of deferred maintenance when they need a warrant. Some workshops have been given the go ahead to bring vehicles up to compliance and then have been asked to sell the vehicles to recover the cost of the work as the owners are unable to pay! Have your vehicle checked every 6 months!

Hamilton has many excellent workshops which can provide a maintenance check at very little cost, far below that of a Warrant of Fitness. Far better to spread the cost of maintenance over a year than to have to find a lump sum at the year's end.

Out on the Town

Hamilton City offers a dazzling night life for patrons of all ages, with entertainment venues, cinemas, night clubs and pubs. Restaurants and cafes provide a variety of international cuisine so one can dine around the world in Hamilton. Many bars are open till the early AM, and the Sky City Casino located in the heart of the city is definitely not to be missed. Accommodation of international standards is available in the heart of the city, and many motels are located within minutes of the central business district and close to sports and entertainment venues. Great shopping is available in Hamilton

with most shops open in the weekend. Hamilton is less than 2 hours from Auckland on the new Waikato Expressway, Rotorua and Tauranga, as well as central to smaller Waikato towns like Cambridge, Te Awamutu, Te Aroha, Tirau and Putaruru with their weekend fairs and markets. Shopping in the city includes the Downtown Plaza, Hamilton Central Shopping Mall, (don't forget the Night Market there on Saturday night) Centre Place with the Sky City cinemas and the Lido Theatre, and the ever expanding Te Awa at the Base at the northern end of town. Frankton Market is held every Saturday in Commerce St, Frankton.

The city has an abundance of beautiful parks including the fabulous Hamilton Gardens, located on Cobham Drive, which won International Tourist Garden of the Year in 2014, and is a world class tourist destination. Take a Waikato Explorer river cruise, 2015 Excellence Winner, which leaves from Hamilton Gardens and visit various venues around, great for dinner or functions. If you prefer walking, Hamilton has many great walks and cycleways, for example along the Waikato River or around Hamilton Lake, very popular with joggers, walkers and cyclists, not to mention the Te Awa cycleway

which runs through Hamilton and to the North, along the river, very scenic and suitable for all ages. Hamilton is well provided with sports facilities and venues such as Claudelands Events Centre, which hosts local and international events and the Mystery Creek Events Centre which holds the New Zealand Agricultural Fieldays and of course Waikato Stadium, home to the Waikato Chiefs rugby team. There are numerous fine golf courses in and around Hamilton and the Waikato, the cricket grounds, swimming pools hockey grounds, all in all something for everyone and absolutely every reason to come and enjoy it all.

For the Kids

Discover the wonders of the living world in a wildlife sanctuary renowned for its generous habitats and approach to conservation. **Hamilton Zoo** is home to over 600 native and exotic animals and boasts the largest free flight aviary in New Zealand.

Experiences not to be missed - go behind the scenes with a Face2Face encounter and meet our southern white rhinos, Sumatran tigers, chimpanzees or lemurs or catch a 'meet the keeper' talk and learn about the characters and personalities of our animals. Need a break? Swing by Flavours Café and grab a delicious treat, or dine al fresco in one of our scenic picnic areas.

How to Get Ready:

- Emergency Survival Items • Household Emergency Plan • Evacuation
- People with disabilities • Pets & livestock • How to store water • Emergency sanitation
- Get your car ready • Get your business ready • Listen to Radio Stations

1. Learn about disasters and how to keep safe
2. Create and practice a household emergency plan
3. Assemble and maintain emergency survival items
4. Have a getaway kit in case you have to leave in a hurry

Contact the **Civil Defence Emergency Management (CDEM)** office at your nearest local council for information on local hazards and community response arrangements. During a disaster event telephone lines need to be kept clear for emergency calls to get through so please avoid making calls unless absolutely urgent.

If life or property is threatened always dial 111 for Police, Fire or Ambulance.

Emergency Welfare Centres

A Community Emergency Incident Control Point of Welfare Centre may be established for any event if it is required. These centres will be set up at the discretion of the local Controller. The location of the centre will be determined by the impact of the disaster.

Please listen to your radio to find out what 'Civil Defence Centre' is open and what they are providing.

Rangiriri Hotel, Rangiriri

Tuakau Hotel, Tuakau

North Waikato Region

State Highway 1 runs down through this area and is in the process of being upgraded to the Waikato Expressway, known as the Longswamp section which will join up at Taupiri to the Gordonton/Ngaruawahia/Hamilton section. The Expressway will bypass Huntly and will be completed in 2016 and will make the journey to and from Auckland considerably faster.

The area was important historically during the Waikato Wars, as the colonialists pushed down into the Waikato. Along the highway are historic sites for both sides, redoubts and Pa sites, the most famous is the Rangiriri Pa site where the final stand of Maori and

Pakeha soldiers was fought out. At Rangiriri the casualties of this engagement are buried in the small cemetery. Many of the historical sites are signposted and can be accessed from the main highway. The Te Araroa Walkway (the Long Pathway - part of a New Zealand long walkway) runs through the Mercer to Rangiriri section. The Whangamarino Walkway can be accessed from Oram Road at Meremere, the northern end starts at Mercer and ends at Huntly.

Mt Pirongia walking tracks are also popular for overnight hiking options, staying in the Pahautea Hut. The Hihikiwi Track is the shortest route to the Pahautea Hut, near the summit of Mt Pirongia, while the Tahuani Track can be combined with the Bell Track to create an overnight trip also staying in the Pahautea Hut.

Check out pretty Pirongia Village, visit the colonial redoubt, visit the Sunday market and have coffee at the Persimmon Tree Cafe.

The Waipa Mountain Bike Club have their own trails open to the public at the top of Sainsbury Rd. After a lengthy process, the club gained approval to begin building tracks in the Sainsbury Road forest in 2010. Since then around 8 kilometres of single track has been built near the forestry road which climbs the mountain from the end of Sainsbury Road.

The Waipa Mountain Bike club was formed in 2008 to promote mountain biking in the Waipa area. The club has an ongoing track building programme on Mt Pirongia. We have regular rides up Sainsbury Rd every Thursday evening, meet at the Pirongia pub at 6pm. www.waipamtb.org.nz

Te Aroha

Historic Spa Town

Piako District

Te Aroha is a town with many historic associations, and this shows in its charming architectural buildings. One of the highlights is the 29 acre landscaped Edwardian style Domain which houses the Te Aroha Mineral Spas - private, indoor hot tubs filled with naturally hot soda water and the world's only hot soda fountain - the Mokena Geyser. Wander through the historic Cadman House Museum - New Zealand's original sanatorium. The Domain is also home to the Te Aroha Leisure pools complex - public, outdoor, heated pools, including outdoor spa. Picnic in the Domain, and then proceed with one of the many bushwalks, including a track from the park up the mountain or some mountain biking. A 100-year-old track starting near the bottom of Mt Te Aroha leads to Tutumangao Waterfall. Follow the Heritage Trail of fine historic build-

ings and monuments dating back to the early 1880s. The Waiorongomai Valley is a significant gold mining site in the Kaimai-Mamaku Forest Park. Gold was found in the Waiorongomai Valley in 1881. The Piako County Tramway was built in 1882-83 and is New Zealand's oldest known railway with the original rail still in place. There are a number of historic areas to explore in the valley, such as Hardy's Hut, Fern Spur Incline and winding gear, the Bendigo Battery, the Low Level Drive, and the May Queen Incline and winding gear. The Waiorongomai Valley lies at the end of Waiorongomai Loop Road. The Valley is just four kilometres south of Te Aroha, near State Highway 26.

Hauraki Rail Trail

Thames to Waihi to Te Aroha

The Hauraki Rail Trail will be a three day ride for most or a two day ride for fit cyclists, making it an ideal weekend experience. It can be accessed from Thames, Paeroa, Waihi, or Te Aroha. There are shorter day riding options. The trail shows some of the best scenery in New Zealand through areas rich in pioneering history. A major highlight includes riding through the scenic Karangahake Gorge, on the Waihi stretch. The Hauraki Rail Trail is shown as a green dotted line on the map below.

Seabird Coast

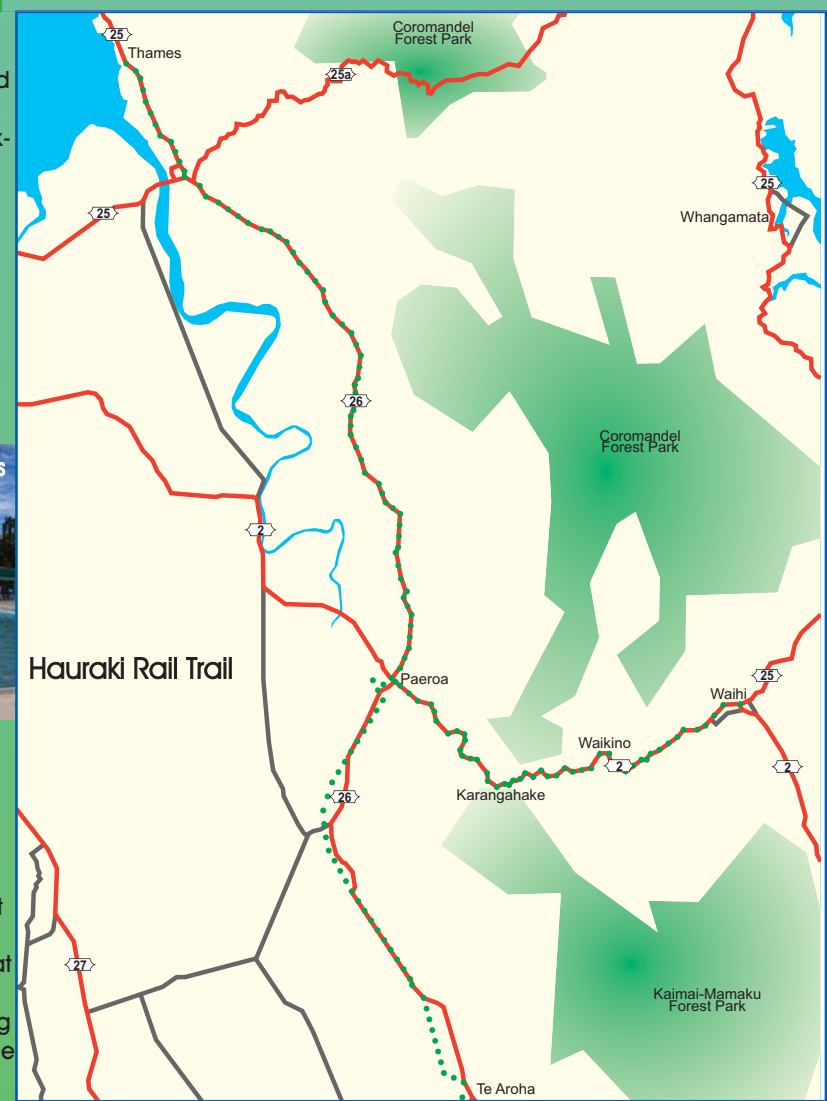

Ngatea is the main service centre on the Hauraki Plains, located on SHW 2, and within an hours drive of Auckland. Nestled on the banks of the Piako River, Ngatea has an array of shops and eating establishments on offer, the picturesque water gardens to visit, and the newly developed Pioneer Park.

Miranda Hot Pools

Miranda and Kaiaua are on the Pacific Coast Highway. Visit the internationally renowned Shorebird Centre, relax in the warm mineral pools at the Miranda Hot Springs, enjoy a day at the beach or check out the many tramping and biking tracks in the ARA Parks.

Paeroa

Historic Town Hauraki District

Paeroa is "World Famous in New Zealand" and overseas – for its Big Bottle. At 7 metres high, the Lemon and Paeroa Bottle is a permanent reminder of the therapeutic Paeroa Springs Water discovered before 1900, which, with the addition of lemon, became known as New Zealand's own soft drink.

Originally a thriving river port, the town was first laid out in the 1870s and the Historic Maritime Park and Museum houses artifacts from this era. Paeroa is also known for the many antique, second hand and retro shops where you can spend hours fossicking.

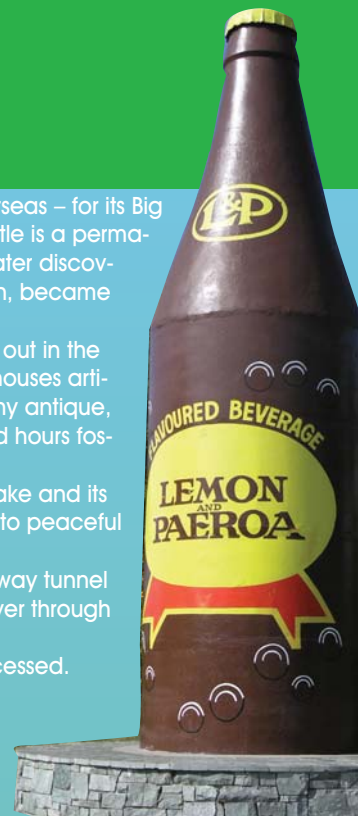

The site of the original gold rush in 1875, Karangahake and its "residential suburb" of Mackaytown, have returned to peaceful activities; fishing, gardens, cafes and a winery.

In Karangahake, one can access the 1km long railway tunnel and the Windows Walk and follow the Ohinemuri River through to Waikino.

Good swimming and picnicking sites are easily accessed.

Walking tracks lead into the Kaimai-Mamaku and Coromandel Forest Parks.

Waihi

Historic Goldmining Area
Hauraki District

Waihi's story is a rich tapestry woven through with golden thread. You can walk right to the edge of Waihi's huge open pit gold mine. Waihi Goldmine Tours conducts daily tours of the site (bookings are essential). Local shops combine old style service with an eclectic range of goods, cafes and restaurants. Local walkways include the Pit Rim Walkway, also to the top of Black Hill and from Gilmour Lake a track follows Mill Stream around the base of Union Hill, another historic mining area.

Karangahake Gorge is a historic gold mining area with spectacular scenery, swing bridges across the Ohinemuri and Waitawheta Rivers, old mining tunnels (bring a torch and sturdy footwear), bush walks. Take a scenic train trip with Goldfields Railway to Waikino to view old mining remains. Part of the Hauraki Rail Trail winds through the Karangahake Scenic Reserve and Conservation area.

Blue Spring - Waihou Walkway

Visitors to Putaruru are invited to wander the **Te Waihou Walkway** to view the **Blue Springs**. The crystal clear spring water is bottled in town, and sold commercially, nationally and beyond, as "Pump" water.

Putaruru is based on a history of farming and timber and has the Lichfield Dairy Factory - which is one of the newest and largest cheese factories in the world.

Visit the Putaruru Timber Museum to learn about the history of timber milling. In even years, the District holds its Spring Into Summer Festival with a wide range of community activities, sporting and cultural events for the three-week festival.

The Lorraine Moller Arboretum accessed from Harry Martin Drive, on the outskirts of Putaruru.

Te Waihou-Arapuni Heritage Trail is comprised of six sites - Stone House, Te Waihou School, Jim Barnett Reserve, Jones Landing, Arapuni Hydro Station and Duxfield Reserve.

The **Arapuni Dam and Swing Bridge** are well worth the 15 minute drive, walk across the swing bridge and look down on the awesome swirling waters from the power station.

WAIKATO RIVER TRAILS

The Waikato River Trails are the second full "Great Ride" to be completed under Nga Haerenga, The New Zealand Cycle Trail. With 100km of cycling and walking trails along the Mighty Waikato, the Waikato River Trails offers some of New Zealand's most stunning views and spectacular scenery.

Walkers and cyclists can choose just one section of the trails or take more time to cover the entire distance, enjoying New Zealand native bush, grassed farmland, exotic forest, open reserves, wetlands, historic landmarks, interesting rock formations and geological delights. Glyn and Bridget and the team at Waikato River Trails are experts at putting together trail packages to accommo-

date a variety of needs. Bike and helmet hireage is available as well as a convenient shuttle service to ensure you, your bike and your luggage are transported safely to your drop off point or your accommodation.

The best time to ride the trail is September to May. The Waikato has a fine temperate climate so all but the mid-winter months are ideal for riding.

SH1 provides key access points to both ends of the trail. To the north, access is off SH1 onto Horahora Road, driving for 5km before reaching the Pokaiwhenua Bridge car park, which is the starting point of the Karapiro Trail. And to the south, access is off SH1 onto Ongaroto Road (SH30); 50m from the turnoff brings you to the start of the Atiamuri Trail.

Tokoroa Forestry Centre South Waikato District

Tokoroa is the hub of New Zealand's massive forestry, timber, pulp and paper industries.

Located mid-way between Taupo and Hamilton on State Highway 1, Tokoroa is an ideal place to pause for an hour or two, or even better, for a day or two. The town takes its name after the Maori chief "Tokoroa", who was killed as he led his people gallantly against the British in the mid 1800s. Tokoroa is the gateway to many of the central North Island's tourist attractions. There is easy access to bush walks, scenic reserves, lakes and rivers, all steeped in Maori legend. Visit Pokaiwhenua, and Hatupatu rock, learn of the stories and legends of these sacred places.

The well-stocked lakes and rivers offer excellent trout fishing, boating, water skiing, yachting or simply enjoy a walk round Lake Moana-nui, by Matarawa Stream and the scenery from the look-out on Colson's Hill.

There are many events in which South Waikato District Council has a direct

Pine Man

involvement including the Honouring Volunteers Ceremony, Anzac Day Ceremonies, Artsfest, Balloons on Tour, Pole Art of the World Symposium, Putaruru Water Festival, Supercross, Tirau Footpath Art Gallery, Sunflower Festival, Scarecrow Festival, Arbor Day, Conservation Week events and others.

Open until 5:30 pm
Waitomo Caves Discovery Centre
21 Waitomo Caves Rd
Waitomo Walkway
The walkway is an easy grade except for some short steep parts. It starts in the Waitomo Village (opposite the Discovery Centre) and passes up through bush and across farmland with some great views back to the Waitomo Village. It then crosses the Te Anga Road beyond the Waitomo Glowworm Caves. From here it follows the Waitomo Stream through a mix of shady forest and open farmland to the Ruakuri Scenic Reserve.
The Waitomo Caves car park walk is a 5 min walk that starts as part of the Waitomo Walkway. Starts at Waitomo Village,

1.6 km northwest (by road) of Te Kuiti. The Waitomo Walkway has a variety of limestone features to view. Dolines (enclosed depressions), karren (fluted outcrops), arches, tunnels and caves are collectively known as karst. This special landscape is a feature of Waitomo, with the Waitomo Caves world famous for their beauty and abundance of glow worms (*Arachnocampa luminosa*). Along the banks of the Waitomo Stream you will see a major replanting project undertaken by the community, DOC and Environment Waikato to improve water quality and reduce the effect of erosion. *There are a number of sections along the walkway where you cross onto private land. Follow marker posts and use stiles where provided. Be aware of electric fences. No dogs.*

World Famous Caves Waitomo District

The Waitomo Walkway can be prone to flooding in times of heavy rain. There is a small general store in Waitomo where supplies may be bought. Fill up your vehicle with fuel at Otorohanga, Piopio or Te Kuiti as there are no service stations from Waitomo west. The self-guided privately run **Dundell Hill Walk** is a 27km, two-day/one-night loop walk through Waitomo's bush and farmland, including overnight bunk-house accommodation in the bush.
The Mangaokewa Scenic Reserve is a nice place to relax, go fishing or swimming. There are scenic walks as you travel south to **Ruakuri Reserve**, **Marokopa Waterfall** which can be viewed at a lookout from the main road and **Mangapohue Natural Bridge**, **Piripiri Cave** and drive on to the coast to **Marokopa Beach** for fishing and **Kiritihere Beach** for fossil fossicking.

NZ Shearing Championships
March 2016
Main St, Te Kuiti

Te Kuiti township is the main service centre of the Waitomo District. Local industry includes everything from meat processing, timber mills and lime processing to rural support services. Te Kuiti has long been recognised as New Zealand's sheep shearing capital and celebrates its rich agricultural heritage in style with the annual NZ Shearing Championships in March, together with the increasingly popular festival known as the "Great NZ Muster".

Check out the new Pa Harakeke Eco Cultural Centre at 138 Maraeroa Rd, for a unique look into Maori traditions and culture. There is an 18-hole golf course in Piopio, where sheep maintain the fairways! To the south-west is the picturesque Mokau surf beach.
