Hamilton City

offers a dazzling night life for patrons of all ages, with entertainment venues, cinemas, night clubs and pubs. Restaurants and cafes provide a variety of international cuisine so one can dine around the world in Hamilton. Many bars are open till the early AM, and the Sky City Casino located in the heart of the city is definitely not to be missed. Accommodation of international standards is available in the heart of the city, and many motels are located within minutes of the central business district and close to sports and entertainment venues. Great shopping is available in Hamilton with most shops open in the weekend. Hamilton is an hour from Auckland on the new Waikato Expressway, Rotorua and Tauranga, as well as central to smaller Waikato towns like Cambridge, Te Awamutu, Te Aroha, Tirau and

Putaruru with their weekend fairs and markets. Shopping in the city includes the Downtown Plaza, Hamilton Central Shopping Mall (don't forget the Night Market there on Saturday night), Centre Place with the Sky City cinemas and the Lido Theatre, and Te Awa at the Base at the northern end of town. Frankton Market is held every Saturday in Commerce St, Frankton and the Farmers Market at Claudelands Events Centre on Sundays. The city has an abundance of beautiful parks including the fabulous Hamilton Gardens, located on Cobham Drive, which won International Tourist Garden of the Year in 2014, and is a world class tourist destination. Hamilton also hosts the Balloons Over Waikato at Hamilton Lake and the Night Glow at Waikato University. Take a Waikato Explorer river cruise, 2015 Excellence Winner, which leaves from Hamilton

Gardens, great for dinner or functions. Hamilton has many great walks and cycleways, for example along the Waikato River or around Hamilton Lake, very popular with joggers, walkers and cyclists, not to mention the Te Awa cycleway which runs through Hamilton and to the North, along the river, very scenic and suitable for all ages. Hamilton is well provided with sports facilities and venues such as Claudelands Events Centre, which hosts local and international events and the Mystery Creek Events Centre which holds the New Zealand Agricultural Fieldays and of course Waikato Stadium, home to the Waikato Chiefs rugby team. There are numerous fine golf courses in and around Hamilton and the Waikato, the cricket grounds, swimming pools, hockey grounds, all in all something for everyone and absolutely every reason to come and enjoy it all.

Rustic Gem 10 mins from Hamilton

The Village Café has fast become the heart and soul of the small town of Whatawhata, since opening in February. Just 10kms outside Hamilton on the way to Raglan, the café has drawn a healthy number of local regulars and Hamilton foodies. Owner Genevieve Rorke spent seven months renovating the property, which now has a charming country appearance. The café is popular with families as well. The outdoor area has been designed by Genevieve with kid's fun in mind. From baking mud pies in the outdoor kitchen, playing in the tractor-tyre ball pit, building sand castles or playing in the barn with the animals,

there is always plenty to do to keep the kids happy and entertained.

The Village Café boasts, what Genevieve describes, as three of the best chefs in the area.

All fresh, healthy and vibrant, with a large range of menu items and a full display of cabinet food and café-made treats, all fresh and made on-site.

Head chef Donna Friend, formally of the Sugar Bowl and Raglan Social Club, along with Chef Paul van Weerden, former head chef at Go Vino, Cooks Beach, are very passionate about providing customers with the very best food. Chef/Baker Sue Marseglia makes all of the sweet treats available, including her very popular GF carrot cake, raw slices and an amazing bannoffi pie.

Some of the popular dishes on the menu include The Big Village Breakfast, Bubble and squeak, Slow Roasted Asian style Pork Belly, Medley of Mushrooms, Lambs Fry & Bacon, Marinated Scotch Fillet Open Sandwich, and the vegan Norish Bowl.

At the Village you will also find the Village Farm Shop, selling locally produced fresh and handmade goods and the Village Boutique, offering hair stylists, nail technician, eyebrow service and tanning salon.

Open 7 days a week, including public holidays, the Village Café is a must visit for all.

A Brand New Chocolate Factory

Waikato Valley Chocolates are on the Move! In May 2017 the factory and shop will be moving to a new purpose-built facility at 1 Evolution Drive, Northgate, Horotiu. This move comes after more than 25 years of making quality chocolate products at the current Borman Road factory. The dedicated Waikato Valley team produce an extensive range of chocolate coated fruit and nuts, chocolate bars and chocolate clusters. Factory seconds and over runs are also available. In addition to

the range of chocolate produced on-site the shop also stocks other confectionery products such as gummy sweets and imported specialty chocolates. When making its chocolate products Waikato Valley Chocolates prides itself on sourcing only the finest ingredients and uses high quality New Zealand made chocolate. Prior to the move visit the factory shop at 5 Borman Road to view the range of bagged, boxed and gift wrapped products on offer. Easter and Christmas novelties are a speciality.

The One Year Warrant of Fitness Is Not Working!

Under current law, vehicles first registered after 1st January 2000 now only require a Warrant of Fitness inspection every 12 months. New vehicles only require a WoF on the third anniversary of the first inspection.

Motorists Are Not Maintaining Their Vehicles! Many are finding that they are up for over \$2000.00 worth of deferred maintenance when its time for a new WoF. This can be unaffordable and some are simply driving away in completely unsafe vehicles.

Some workshops have brought vehicles up to compliance on the say so of the owners and then been asked to sell the vehicles to recover costs because the owners can't pay. Have Your Vehicle Checked Every Six Months. Hamilton has many top quality workshops which will give a maintenance check at very little cost, far less than the cost of a WoF. Spread the cost of maintenance over the year and you will not be in for a financial shock at the end of the year!

Waikato Expressway Hamilton Section

- Osborne Road – an earthmoving truck crossing will open in October, controlled by traffic signals. Barriers arms – similar to rail crossings – will also be trialled here.
- Kay Road – temporarily closed to through-traffic for approximately 13 months for excavation and bridge construction.
- Horsham Downs Road – an earthmoving truck crossing will open in October, controlled by traffic signals.
- Old Borman Road will close permanently to through traffic from mid-September.
- Gordonton Road – a two-way sealed traffic diversion was constructed in October. Bridge construction will begin in November.
- Ruakura Road – bridge construction is expected to begin in December over the East Coast Main Trunk Rail line.

The Western Rail Trail

The Western Rail Trail is currently under construction in Hamilton. The new pathway will give commuters and students an offroad link to the central city. It will give safe and easy access to Seddon Park, Waikato Stadium, Wintec and Hamilton Girls High School. It runs past Gallagher Park and Innes Common, towards the south western suburbs and will stretch 2.7km, alongside the railway track.

The 3m wide pathway is constructed of concrete and concrete bricks. Tons of rubble, weeds and earth are being

moved as the track is built, being replaced with landscaping and plantings to enhance its attraction.

In five years the \$4million trail is expected to attract more than 300 users a day. Hamilton already has more than 150km cycleways in its network and the Western Rail Trail is one of 10 projects in Hamilton City Councils Biking Plan. The projects are part of the Urban Cycleways programme, a partnership between local and central government, with \$333 million to be spent on projects throughout the country over the next 3 years.

The cycleway is due to open in January 2017.

North Waikato

State Highway is in the process of being upgraded to the Waikato Expressway, known as the Longswamp section which will join up at Taupiri to the Gordonton/Ngaruawahia/Hamilton section. The Expressway will bypass Huntly and will make the journey to and from Auckland considerably faster. The area was important historically during the Waikato Wars, as the colonialists pushed down into the Waikato. Along the highway are historic sites for both sides, redoubts and Pa sites, the most famous is the Rangiriri Pa site where the final stand of Maori and Pakeha soldiers was fought out. At Rangiriri the casualties of this engagement are buried in the small cemetery. Many of the historical sites are signposted and can be accessed from the main highway.

Riro whenua atu, me hoki whenua mai Land that was taken, that land shall be returned. This statement was the mantra of the Waikato Raupatu Settlement Act 1995. Waikato was the first iwi to settle and much of the claim was focused around the invasion of Rangiriri in 1863. In August 2016 a ceremony was held at Rangiriri Paa to mark the returning of Rangiriri Paa and Te Wheoro's Redoubt to iwi ownership. **The Te Araroa Walkway** (the Long Pathway - part of a New Zealand long walkway) The Whangamarino Walkway can be accessed from Oram Road at Meremere, the northern end starts at Mercer and ends at Huntly.

Waikato Expressway Huntly & Longswamp

The Huntly project involves the largest ecological component being undertaken by the NZ Transport Agency in the upper North Island. About 1.3 million plants will be planted along the section including along farm drains, in connecting wetlands and streams adjacent to the project and at Lake Kimihia. The final section of the Waikato Expressway will start later this year, with Downer NZ Limited awarded the contract to build the \$115 million Longswamp section. The project is the final of seven sections of the 102km Waikato Expressway, a Road of National Significance identified by the Government as key to unlocking New Zealand's economic growth. This means the last four sections of the Waikato Expressway will be under construction by the end of 2016. Construction of the 5.9km Longswamp project will start in October this year and will see the existing SH1 widened to four lanes between Hampton Downs and the Te Kauwhata interchange. A new local road bridge will also be built over the four-lane Expressway.

Raglan Surf and Sand Waikato District

Raglan is known for its stunning scenery and outdoor sports, as well as for its artists and musicians. Raglan has everything for visitors and tourists, accommodation, cafes, shopping and adventures and is world famous for its international surfing events. Raglan is located 48km west of Hamilton. On the way is the turnoff to the spectacular Bridal Veil Falls, and the road goes to Kawhia, via Aotea Harbour, and the huge Windfarm turbines are visible from the road. Following the coastal road south of Raglan, with its amazing ocean vistas and views of Mt Taranaki, there are Manu and Whale Bays, Te Toto Gorge and Ruapuke Beach. There are also walks up Karioi mountain.

Te Aroha

Historic Spa Town

Piako District

Te Aroha is a town with many historic associations, and this shows in its charming architectural buildings. One of the highlights is the 29 acre landscaped Edwardian style Domain which houses the Te Aroha Mineral Spas - private, indoor hot tubs filled with naturally hot soda water and the world's only hot soda fountain - the Mokena Geyser. Wander through the historic Cadman House Museum - New Zealand's original sanatorium. The Domain is also home to the Te Aroha Leisure pools complex - public, outdoor, heated pools, including outdoor spa. Picnic in the Domain, and then proceed with one of the many bushwalks, including a track from the park up the mountain or some mountain biking. A 100-year-old track starting near the bottom of Mt Te Aroha leads to Tutumangao Waterfall. Follow the Heritage Trail of fine historic build-

ings and monuments dating back to the early 1880s. The Waiorongomai Valley is a significant gold mining site in the Kaimai-Mamaku Forest Park. Gold was found in the Waiorongomai Valley in 1881. The Piako County Tramway was built in 1882-83 and is New Zealand's oldest known railway with the original rail still in place. There are a number of historic areas to explore in the valley, such as Hardy's Hut, Fern Spur Incline and winding gear, the Bendigo Battery, the Low Level Drive, and the May Queen Incline and winding gear. The Waiorongomai Valley lies at the end of Waiorongomai Loop Road. The Valley is just four kilometres south of Te Aroha, near State Highway 26.

Hauraki Rail Trail

Thames to Waihi to Te Aroha

The Hauraki Rail Trail is a three day ride for most or a two day ride for fit cyclists, making it an ideal weekend experience. It can be accessed from Thames, Paeroa, Waihi, or Te Aroha. There are shorter day riding options. The trail shows some of the best scenery in New Zealand through areas rich in pioneering history. A major highlight includes riding through the scenic Karangahake Gorge, on the Waihi stretch. The Hauraki Rail Trail is shown as a green dotted line on the map below.

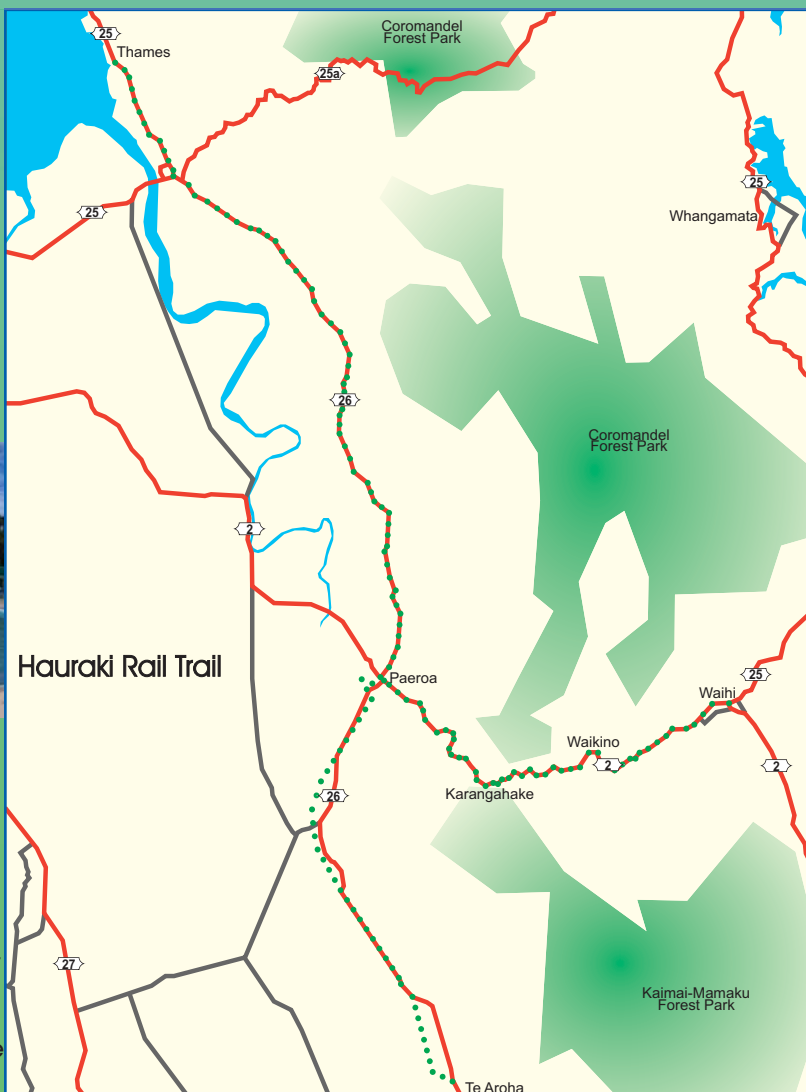

Seabird Coast

Ngatea is the main service centre on the Hauraki Plains, located on SHW 2, and within an hours drive of Auckland. Nestled on the banks of the Piako River, Ngatea has an array of shops and eating establishments on offer, the picturesque water gardens to visit, and the newly developed Pioneer Park.

Miranda Hot Pools

Miranda and Kaiaua are on the Pacific Coast Highway. Visit the internationally renowned Shorebird Centre, relax in the warm mineral pools at the Miranda Hot Springs, enjoy a day at the beach or check out the many tramping and biking tracks in the ARA Parks.

Paeroa

Historic Town Hauraki District

Paeroa is "World Famous in New Zealand" and overseas – for its Big Bottle. At 7 metres high, the Lemon and Paeroa Bottle is a permanent reminder of the therapeutic Paeroa Springs Water discovered before 1900, which, with the addition of lemon, became known as New Zealand's own soft drink.

Originally a thriving river port, the town was first laid out in the 1870s and the Historic Maritime Park and Museum houses artifacts from this era. Paeroa is also known for the many antique, second hand and retro shops where you can spend hours fossicking.

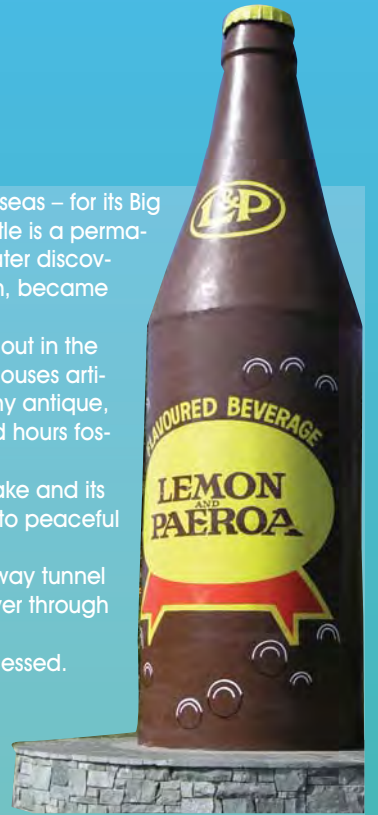

The site of the original gold rush in 1875, Karangahake and its "residential suburb" of Mackaytown, have returned to peaceful activities; fishing, gardens, cafes and a winery.

In Karangahake, one can access the 1km long railway tunnel and the Windows Walk and follow the Ohinemuri River through to Waikino.

Good swimming and picnicking sites are easily accessed.

Walking tracks lead into the Kaimai-Mamaku and Coromandel Forest Parks.

Waihi

Historic Goldmining Area

Hauraki District

Waihi's story is a rich tapestry woven through with golden thread. You can walk right to the edge of Waihi's huge open pit gold mine. Waihi Goldmine Tours conducts daily tours of the site (bookings are essential). Local shops combine old style service with an eclectic range of goods, cafes and restaurants. Local walkways include the Pit Rim Walkway, also to the top of Black Hill and from Gilmour Lake a track follows Mill Stream around the base of Union Hill, another historic mining area.

Karangahake Gorge is a historic gold mining area with spectacular scenery, swing bridges across the Ohinemuri and Waitawheta Rivers, old mining tunnels (bring a torch and sturdy footwear), bush walks. Take a scenic train trip with Goldfields Railway to Waikino to view old mining remains. Part of the Hauraki Rail Trail winds through the Karangahake Scenic Reserve and Conservation area.

WAIKATO RIVER TRAILS

With 100km of cycling and walking trails along the Mighty Waikato, the Waikato River Trails offers some of New Zealand's most stunning views and spectacular scenery. Walkers and cyclists can choose just one section of the trails or take more time to cover the entire distance, enjoying New Zealand native bush, grassed farmland, exotic forest, open reserves, wetlands, historic landmarks, interesting rock formations and geological delights. The team at Waikato River Trails are experts at putting together trail packages to accommodate a variety of

needs. Bike and helmet hireage is available as well as a convenient shuttle service to ensure you, your bike and your luggage are transported safely to your drop off point or your accommodation. The best time to ride the trail is September to May. The Waikato has a fine temperate climate so all but the mid-winter months are ideal for riding. SH1 provides key access points to both ends of the trail. To the north, access is off SH1 onto Horahora Road, driving for 5km before reaching the Pokaiwhenua Bridge car park, which is the starting point of the Karapiro Trail. And to the south, access is off SH1 onto Ongaroto Rd (SH30); 50m from the turnoff starts the Atiamuri Trail.

South Waikato... discover it... live it... love it...

Tokoroa

Forestry Centre
South Waikato District

Tokoroa is the hub of New Zealand's massive forestry, timber, pulp and paper industries. Located mid-way between Taupo and Hamilton on State Highway 1, Tokoroa is an ideal place to pause for an hour or two, or even better, for a day or two. The town takes its name after the Maori chief "Tokoroa", who was killed as he led his people gallantly against the British in the mid 1800s. Tokoroa is the gateway to many of the central North Island's tourist attractions. There is easy access to bush walks, scenic reserves, lakes and rivers, all steeped in Maori legend. Visit Pokaiwhenua, and Hatupatu rock, learn of the stories and legends of these sacred places. The well-stocked lakes and rivers offer

excellent trout fishing, boating, water skiing, yachting or simply enjoy a walk round Lake Moana-nui, by Matarawa Stream and the scenery from the lookout on Colson's Hill. There are many events in which South Waikato District Council has direct involvement including: the Honouring Volunteers Ceremony, Anzac Day Ceremonies, Artsfest, Balloons on Tour, Pole Art of the World Symposium, Putaruru Water Festival, Supercross, Tirau Footpath Art Gallery, Sunflower Festival, Scarecrow Festival, Arbor Day, Conservation Week events and others.

Business Hub | Hamilton

LESS PAPERWORK

IS WORKING

SMARTER

When Bill Hammond Transport needed to sharpen up, they looked for an alternative to their old paper-based systems. They turned to their local Spark Business hub for a mobile solution. Using the cloud, and a WiFi hotspot to stay connected, they soon had an easier, more efficient way to work. See their story at spark.co.nz/gomobile
